Celebrating 80 years of CFS in Clarendon

Monthly rainfall

June 2019 **120.4mm**

Rained over 16 days

Year to date 2019 316.8mm

June 2018 **76.4mm**

Year to date 2018 241.4mm

Year to date 2017 245.0mm

**Thank you to our very own
rain-man Bill Jared**

100 year bridge celebration - Sunday 21st July 2019

A day when the whole community is invited to come together to celebrate the 100 year anniversary of the building of Clarendon second bridge. There will be food, fun and entertainment for the whole family.

Long Description....

Be a part of the community celebrations this July as we commemorate the 100th anniversary of the 'renovated' Clarendon Bridge. It will be a day of fun, food and entertainment for the whole family. The day begins with a re-enactment of the 1919 bridge opening. We will march as a group down to the bridge for a commemorative photo. We then head back to the Community Hall where there will be something on offer for everyone.

Embracing the winter cold we will have a huge variety of board games, puzzles and activities scattered inside the heated walls of the Community Hall. It's a great chance for young and old to learn from each other as you explore new games. We will also be bringing the LEGO bridge building table for everyone wanting to try their hand at building the strongest bridge. The Clarendon Museum 'Bridging the Onkaparinga' exhibit banners will be on show so that you can read up on the history of the bridge too!

Not into board games, why not grab a wine, beer or hot coffee and settle in for a yarn by our cozy fire pits, listening to the acoustic stylings of music **Blind Arry**.

Our outdoor entertainment furniture is kindly donated by the good folks at **Eventure**.

You won't go hungry either as we have some awesome meals available from **Feisty Filomena** or a tasty treat from **Xpresso**

.....the day begins with a re-enactment of the 1919 bridge opening. We will march as a group down to the bridge for a commemorative photo.

A brief timeline of events...

11:00am

Gather at the Kindy/Community Hall carpark in preparation for bridge walk

11:30 - 11:45am

Walk as a group down to the Bridge for commemorative photo (Police have agreed to temporarily stop traffic so we will be on a tight time restriction here)

12:00pm

Event activities kick off back at the Community Hall, with food trucks and stalls beginning trade

1:00 - 4:00pm

Blind Arry will be playing some acoustic hits

Our thanks to ...

Event furniture and bar service kindly donated by **Eventure**

Firewood kindly donated by **Western Tree and Stump** on Potters Road

July news

Netball season is well underway and Clarendon Netball club is having a great year. Besides playing netball we have had pizza nights, BBQ's and Slow Cooker nights to keep everyone warm and well fed. We won a \$5000 donation from Cadbury fundraising which included a star role in an ad on Channel 9 during the Netball coverage. This was all because of the hard work Noleen Gambell has tirelessly achieved over 9 years as our fundraising coordinator.

We have once again had to defend our home at Clarendon with the Onkaparinga council, which we did at their general meeting, with mass numbers and support. The club would like to thank and recognise Councillor Marion Themeliotis who has been instrumental in supporting the club through this process and being an advocator at the council for us.

Four of our players were involved in the SHNA Representative teams this year. They included Krista Mitchell, Holly Lang, Jordan Sheffield and Caitlin Millhouse. Caitlin was in the U15's at the Country Championships that took out the Gold Medal in June. Well done to all the girls.

We have our major fundraising quiz night in July, at the over 50s club, which looks like being a cracker of a night with over 150 people already booked. And as always every Saturday night after the games we have presso's at the bowls club at 5.30pm. With carnivals, in June/July finals in August/September and end of season presentations in late September, there is always plenty to do.

100 Year bridge celebration

Food and Beverages options...

Feisty Filomenia:

Italian Street Food with dietary options available

Xpresso Mobile Cafe Lonsdale:

Specialty coffee, tea, hot drinks and sweets

Main & Cherry winemakers:

Selection of wines from local producer

The Kindy:

Baked potatoes and a variety of soups and bread stations
more to come...

.....settle in for a yarn by our cozy fire pits, listening to the acoustic stylings of music Blind Arry

Clarendon Primary School

Term 2 has been a busy term at Clarendon Primary School, with a key feature being two school camps.

Our Year 2/3 class slept the night at Monarto Zoo and our Year 6/7 class had a two-night experience at Mylor Adventure Camp.

School camps present many outstanding opportunities for students.

For some it is their first night away from parents and provides a chance to develop responsibility, independence and resilience. On camp our students make their own breakfast, tidy their living spaces and take responsibility for their own belongings.

The Year 6/7 campers were faced with team-building and problem-solving challenges which tested their persistence and team-work.

The challenges included a low-ropes course, raft-making, archery, bridge-building and the 200m long flying-fox! Each camp provides quality time for relationship building between students and the students and staff.

As is often the case with Clarendon Primary School, the feedback from the camp regarding the behaviour and attitude of our students was outstanding.

We are very proud of how our students represent our school when out in the community.

Our apple harvest this year!

What to do with all these apples – gave them away, made apple pies, apple muffins, stewed apples for breakfast, lunch and dinner (!!), froze them apple cider did not quite happen but planned for the 2020 harvest!!

Here's an apple slice recipe you might like to try.

Danielle Diener's Apple Slice

Base

1 packet butter cake mix
1 cup coconut
125g melted butter
Mix together in food processor and dry bake in slice tin at 180c for 15 minutes

Topping

1 carton sour cream
3 dessert spoons sugar
1 egg
Beat together by hand

400gm cooked apple or about 2 cups (Try other cooked or tinned fruit as well)

Place apples on top of baked base and pour over topping. Sprinkle with cinnamon and bake for 30 minutes at 180c

Enjoy!

Clarendon Branch of the Agricultural Bureau

June 2019

The Clarendon Branch of the Agricultural Bureau welcomed speaker, David Trueman who provided insight into the Clarendon Water Tunnel. David previously worked for SA Water and had some background knowledge of the Clarendon Water Tunnel. David explained the way the tunnel was excavated with shafts being dug to the required level. Workmen then dug to join the next shaft and eventually the tunnel was linked up and ready to receive water from the Clarendon Weir into the Happy Valley Reservoir. David explained that the original water tunnel was enlarged in the 1960s with the help of workers from the completed Snowy Mountain Scheme. The area now known as Peace Park was the site for worker accommodation and machinery and was later converted into a YMCA camp. When the water tunnel was enlarged it was concrete lined at the beginning and at the exit to reduce erosion. The water tunnel is surveyed annually by SA Water Engineers who drive vehicles through the tunnel to ensure the water tunnel is working properly.

Tony Fagg
President
Clarendon Branch of the Agricultural Bureau

The Advertiser

Friday 31st July 1896

Happy Valley Water Works

The opening ceremony in connection with the Happy Valley Waterworks will be performed by his Excellency the Governor on August 8 (1896). The arrangements which are being made by the Commissioner of Public works are nearly complete. Invitations have been issued, to the number of about 250, to the judges, the members of both Houses of the Legislature and their wives, the mayors of all corporations, and the chairmen of all district councils and their wives in the Adelaide water area, the officers in connection with the Public Works department who have been directly interested with the construction of the works, and representatives of the press. The invitations are absolutely limited to those and no exception whatever will be made. The party will leave by the 10.20 a.m. and on arrival at the Blackwood Station will be met by traps, which will convey them to Clarendon. Here an address of welcome will be presented to his Excellency the Governor by the chairman of the local district council (Mr. Gibbins). The next move will be to the weir, Where Sir Fowell Buxton will perform the ceremony of opening the valve to allow the water to flow into the inlet tunnel. Light luncheon will be provided on the recreation ground and a few speeches will be made. They will, however, be limited, so that ample time may be allowed in order to proceed to the reservoir so that the water as it flows in may be seen. The party will then be driven to the city.

Clarendon Community Association Briefs

The CCA remains active in advocacy with main engagements:

- Our efforts to support the court users in their ongoing negotiations with council regards lighting, safety and emergency access has been successful with all parties now working together and a cornerstone commitment to retention of courts at southern end of oval
- We (under Des Fowles stewardship) continue to seek clarification, pursue a resolution and monitor the town planning / zoning matter- this is expected to be clearer by end of 2019.
- The efforts toward a master plan for River Bend park precinct continues and this matter is now formally before council and their Strategic Directions Committee for the July 2019 meeting
- By better understanding, patience and engagement, improve the relationship with City Of Onkaparinga
- The CCA and the executive remain committed to improving the communication between all Clarendon stakeholders and we welcome feedback so please let one of us know how we may do better

The dedicated hall committee continues to make progress toward better outcomes at the Hall by establishing best practice outcomes for all parties and are also working hard with the Education department in regards to the new lease for the Kindergarten.

The Anzac Day commemoration was a success and the special purpose sub-committee have seamlessly moved to the 100 year bridge celebration; the efforts of many ensure these events are successful however the leadership efforts of Mr Gavin Fisher and Mr Brad Pickford are appreciated.

The refreshed Clarendon welcome booklet is set for release and thanks to all those involved, in particular to Helen, for taking this on and getting it done.

The CCA is a community forum for advocacy for making Clarendon a better place to visit, to do business, play, grow, work, learn and live. There are many matters, on which we cannot take a formal position, be involved in or even agree with, but we do encourage all members, residents and stakeholders to do so; we can and do make things better by doing.

Welcome to all new residents and we look forward to new faces in the community.

Clarendon Community Hall

The hall is available to hire to local community groups and people.

Email enquiries to hallhire@cca.clarendon.org.au

Clarendon Community Association

Meetings are held on the first Wednesday each month at 7.30pm in the hall. Everyone is welcome to attend.

Welcome to Clarendon

If you are new to Clarendon then we offer you a warm welcome and encourage you to become part of the local community. There is a Welcome to Clarendon booklet available at the General Store for all new residents. Please call in to see Gavin.

Clarendon website

The website is in the process of being updated, however there is still relevant local information available to start you off.

Clarendon History buffs

Clarendon may be small but we have a long and interesting history. The Clarendon Historic Hall and Museum is a treasure trove of historical information. Open on the last Sunday of each month.

Hello from Clarendon CFS

Incidents June 2019

Fairly quiet overall with just a tree down and an MVA

Plans for the Station

Garden - we plan to create a garden and plant some bulbs.

Does anyone have any they can donate? You can send me at text or email and I will collect them or you could drop them off to the station any Monday night?

80th Anniversary of Clarendon CFS – plans are underway in preparation for September of this year.

We think about this time of year preparing for our upcoming fire season but do you consider your risk for a structure fire. There have been quite a few over the past month.

Something to think about

There have been many house fires already this year. Please be mindful of leaving heater on/candles burning/ open fires.

Have you changed your smoke detector battery?

Smoke detectors are compulsory in all SA homes, but they are only useful if they are working! Now is a good time to replace the battery!

Have you changed your smoke detector?

Smoke detectors should be replaced every 10 years!

Do you have deadlocks or security screens on windows and doors?

Do you have access to the keys in an emergency?

Do you have an escape plan for your family should your house catch fire?

Ensure all family members know at least 2 escape routes both in the day and especially at night.

You are always welcome!

Did you know we have a Cadet Program for children from 11 – 18 years? This program is run at Kangarilla CFS and is held every Friday night from 7-9pm in the school term. Please contact me if you are interested.

We are always there every Monday night (not PH) from 6.30pm and you are always welcome to see what we do. You can always join us and learn valuable skills to protect yourself, your family, your pets and property.

Keep safe!

Sue Leslie

Brigade Captain

0423 969 817 sue.leslie@sacfsvolunteer.org.au

Burning in the Open

Remember burning in the open is recommended from 12 midday until 12 midnight.

Please be sure to check the council website or contact them personally to ensure you know which zone you are in and if you are able to burn without a permit.

If you do fall into this category – please be sure to follow the burning requirements as some aspects of the ground are very dry despite the cool and wet weather.

This link will take to the Onkaparinga Council website and the map to show which zone you are in.

For further information email: communitysafetygeneral@onkaparinga.sa.gov.au or visit www.onkaparingacity.com/firemanagement
