

November 2020 eNews

The Clarendon Kindergarten Spring Fair was a resounding success. Many of our local Clarendon people took advantage of the gorgeous weather and supported this all-day annual event and Kindergarten fundraiser.

People were tempted by the bric-a-brac in the Community Hall – wow so many bargains to be had! There were many stalls to browse, people to meet and socialise with, a delicious selection of cakes and other delights, a barbecue and our lovely neighbours Main and Cherry and Bec Hardy Wines were on hand to provide some adult beverages. The new speaker system provided background music and the creek provided hours of fun for the children of Clarendon.

We thank the Clarendon Kindergarten community and the Clarendon Community Association for their efforts – planning, setting up and then over-seeing the day.

Gavin Fisher however is our planner extraordinaire and without his tireless efforts this day would not have happened. Gavin has the passion, enthusiasm, community spirit and the connections to ensure the Spring Fair is a success – thanks Gavin!

Clarendon CFS News

Fire bans in the Mount Lofly Ranges are yet to be announced.

Take care when burning in the open

Take much care with this!

Make sure you have the correct clearance and have tools and water close by.

The weather is warming up and it will be quite easy for coals to ignite.

Fire Season is looming

Around this time of year my focus as brigade captain is to ensure the brigade is ready for the upcoming fire season. This includes preparing ourselves and our equipment and our surroundings. But what about you? Over the next 3 months I will provide you with some information to support your readiness.

Did you know we have a Cadet Program for children 11– 8 years?

This program is run at Kangarilla CFS and is held every Friday night from 7-9pm during school term. Please contact me if you are interested.

You are always welcome!

We are always at the CFS Station every Monday night (not PH) from 6.30pm. Everyone is welcome to see what we do. You can always join us and learn valuable skills to protect yourself, your family and your pets and property.

Keep safe!

Sue Leslie

Brigade Captain

Thank you to this amazing group of people!

Grow Free Cart

Local residents Elisa and Paul Ridings have built a grow free cart and it is now set up at the Clarendon Community Hall.

The Grow Free concept originated in Strathalbyn and now has hundreds of carts world-wide.

The motto is "Give what you can, take what you need". This is a way to make homegrown excess food, seedlings, plants and related items free and available to whomever needs them. It is a communal place that people can place their excess knowing it will be appreciated by others.

For more information visit <http://www.growfree.org.au/>

Living locally, selling locally.

Halloween done the Clarendon way!

Thanks to Kookie and the Clarendon Netball Club for organizing this popular event for the children of Clarendon. Wow so many families were out and about – scaring the locals, hunting for treasure and having a great time all round. The Riverbend Park Pavilion was decorated to enthrall and frighten. Many 'brave' families stayed on for the sausage sizzle and the socializing of course. Thank you to all the local Clarendon residents for supporting this fun evening.

Our thanks to **Gillian Reeves Rayment** for taking these ghoulish photos. Head to Gillian's facebook page if you would like to see more.

more....*

Trading hours ...

The **Clarendon General Store** spring trading hours are:

Monday – Saturday 8.30am-5pm
Sunday 8.30am-12pm

The **Clarendon Hotel** has a new spring menu. Give Hayley a call (8383 6113) to book a table at our lovely local hotel.

The **Clarendon Bakery** is operating as normal with the only change being the number of people allowed in the shop at any time due to COVID-Safe restrictions.

Opening hours are:

Tuesday to Friday 7am – 5pm
Saturday to Sunday 8am – 4pm

Emprades is open and you can visit the shop but there is a notice on the door asking that you knock or ring before entry. Emily and Pru are on site during normal opening hours so are happy to let you in. They can also arrange free delivery for local purchases.

Recipe of the month – thank you Louise Pickford

Being a “transitioning time of year” I’ve been limited with what is available in the garden. The one thing that is in abundance is herbs!!!! Parsley, oregano, sage, chives, thyme, coriander, mint and probably a lot more in other gardens. All these herbs have great medicinal properties if eaten raw. A great way to get them into you is by making “paste”.

One of our favourites is

1 bunch of coriander
1 bunch of mint
½ bunch of parsley
1-2 cloves of garlic
1 chili
2-inch piece of ginger
EVOO

Blend the herbs, garlic, ginger, chili together or chop really finely and then cover with olive oil. This will keep in an airtight jar in the fridge for up to a week.

This paste is great to add to steak, veggies, frittata, soups, salads, fish..... anything your heart desires or mix and match the herbs to your tastes.

Why is it good for us?

Coriander - a good source of vegetarian iron

Parsley - a powerhouse with Vitamins A, C, K, B2, folate, calcium, iron, chromium, magnesium, manganese and zinc

Mint - a great source of antioxidants and vitamin A

Garlic - contains potassium and zinc and is a great antibacterial/antimicrobial

Chili - a source of vitamins A, C, B2, B3, iron, Magnesium, potassium

Ginger - a powerful antioxidant and anti-inflammatory.

EVOO - a great source of monounsaturated fatty acids – the heart of the Mediterranean diet, vitamin E a great antioxidant.

Clarendon Branch of the Agricultural Bureau

The Clarendon Branch the Agricultural Bureau September 2020 meeting guest speaker was Police Officer James Fagg.

James began with giving an outline of his background and how he became a Police Officer. James explained that he spent a year at the Fort Largs Police Academy where the training was quite detailed and gave great insight into what to expect in becoming a Police Officer.

On graduating James was assigned to a Police Station in the western suburbs where he spent a year there as a Probationary Police Officer. After his probation period finished, he was able to transfer to his current position at a Southern District Police Station.

James provided some insight as to police activities in policing the COVID-19 restrictions as well as being posted at Naracoorte for six days policing the Victoria and South Australia border. James concluded by answering a multitude of questions from the members.

Christmas Days in Clarendon 1865-1879

Christmas Day in Clarendon was often hot and many families travelled to the beach at Port Noarlunga to enjoy the seaside. Other families enjoyed picnics on the banks of the Onkaparinga with children paddling in the cool water. One year a Christmas Tree was set up on the banks of the River and a local Mr J Cook gave children rides and had small gifts of nuts for each child. There were cricket matches played and sometime horse races. The cricket matches were often the married men of the town playing against the single men. There are several reports over the ten year period of 1865-1879 of entertainment in the Oddfellows Hall or the Friendly Society Hall on Christmas Eve where singing and plays were performed by the townsfolk. After the young people of the town walked the streets of the town singing Christmas Carols to the early hours of Christmas Morning. This was well received and often commented on as a pleasant sound echoing through the valley. On one occasion in 1878 a group of young people were described as serenading the village with lively songs which although definitely not in the Christmas vein were enjoyed by the townspeople.

Thanks to Pru who put this together from many articles from South Australian newspapers 1865-1869

Clarendon Historic Hall and Museum

The Museum hosts a collection of the history of Clarendon and early settlers. The museum is open the last Sunday of each month 1pm-4pm.

New Museum website – come help us!
The Clarendon Museum is undertaking a large-scale project to populate our new website with written content. With almost 175 years of history, there are many stories to write about Clarendon. We have researched many subjects, people and places, but we need to transcribe this research into clear and concise copy for visitors on our website. If you have previous writing experience or would just love to be involved, email: secretary@history.clarendon.org.au

The new **walking brochure** is now available at the General Store. Pick one up and go for a walk around our historic village - learning as you walk.
