Anzac Day the Clarendon Way.....

The Clarendon Historic Hall and Museum was the venue of an amazing light display in the lead up to Anzac Day 'Remember Me to All - War Letters'. Brad also produced an 8-minute documentary which added insight and historical information to the already incredible light show. What a humbling, inspiring, heart wrenching, humorous and honest insight. If you would like to see the short documentary please visit the Clarendon Historic Hall and Museum. Thank you to Brad, Gavin & Trevor (CCA events committee) who organised the Clarendon Anzac Day memorial service, light show, documentary and dawn service this year. Also thank you to everyone who supported them.

Clarendon Primary School News

Late last term Clarendon Primary School attended a 3-day whole school camp at Arbury Park, in the Adelaide Hills. Not many schools are fortunate enough to take their whole school, including new Reception students, for a time away. The activities on the camp included orienteering, fresh water wildlife, aboriginal studies, bushwalking and more! Camps are always a great way for students to develop their independence and resilience away from home. As always, our Clarendon students represented our school and community in an outstanding manner.

Grow Free Cart

Local residents Elisa and Paul Ridings have built a grow free cart and it is now set up at the Clarendon Community Hall.

The Grow Free concept originated in Strathalbyn and now has hundreds of carts world-wide.

The motto is "Give what you can, take what you need". This is a way to make homegrown excess food, seedlings, plants and related items free and available to whomever needs them. It is a communal place that people can place their excess knowing it will be appreciated by others.

The Clarendon Agricultural Bureau

The Clarendon Branch of the Agricultural Bureau April 2021 meeting was hosted by myself where I provided a range of historical pictures, books, maps etc. I also provided some insight into the history of Clarendon from the original Survey of Hundreds 800 and 801. Also, from Clarendon's original resident John Grant who came to South Australia on one of the first ships, the Cygnet. John Grant lived in the Clarendon area until Mr Peake arrived to claim ownership of Hundred 801 of the Clarendon area and asked Mr Grant to leave. Our memory of Mr Grant is survived by the naming of the main road "Grants Gully Road". Some members contributed to the night with books, maps and pictures of the Clarendon area.

Famous explorers were also discussed highlighting their achievements in particular MacDougal Stuart's South North exploration of Australia and his many attempts at reaching the northern coast of Australia.

"I was honoured to attend the Clarendon ANZAC Day Service on Sunday the 25th of April, and lay a wreath together with Nat Cook MP, Member for Hurtle Vale. I commend the Clarendon Community Association and other Clarendon residents for their hard work and diligence in ensuring the service went ahead. Lest we forget."

Recipe of the month from Louise of The Nourished Village

It's time for citrus! One of my favourite groups of fruits, so super refreshing and full of antioxidants, especially vitamin C! Perfect coming into winter. The following recipe is super delicious and moist and great for that special get together with friends and family.

Boiled Chocolate Orange Cake (GF/DF)

2 organic oranges (Because we are using the skin in this recipe, it important to use organic oranges so as not to consume any chemicals)
165g coconut sugar (blitzed so like castor sugar) OR just use castor sugar
1 heaped teaspoon of baking powder

½ teaspoon baking soda

½ cup raw cocoa

5 eggs

225g almonds (blitzed into fine almond meal) or store-bought almond meal

Make sure you buy from a place that has high turnover of almond meal so that you can get it as fresh as possible. Once almonds are milled, they can become rancid quickly as the oils are released. Store almond meal in the fridge to slow this process.

Method

1. Place the oranges in water, bring to the boil then simmer for 1-2 hours until skin is easily pricked with a fork. Watch water and top up as needed.
2. Remove organs from water, let them cool, chop, removing any pips then blitz into a smooth paste.
3. Preheat the oven to 180oC
4. Add eggs, sugar to the orange paste and mix until light and fluffy
5. Add ground almonds, baking powder, baking soda and mix until combined ** batter will be runny.
6. Pour into 20cm prepared spring form cake tin
7. Cook for 40-50mins until skewer comes out dry. Cover with foil at around 30 minutes if edges start to burn.
8. Allow to cool and serve with a dollop of coconut yoghurt (or cream/ice-cream)
9. ENJOY with good friends and family!!

2020/21 Pennant Season

The Pennant Season was successful and very enjoyable, mainly due to the fun, laughs and comradery we shared with each other.

For a small Club we did remarkably well with three out of our four pennant sides making the finals:

Sat Div. 2: After being at the top of the ladder all season, Clarendon beat Myponga in the preliminary finals but lost to them in the Grand Final.

Sat Div. 4: Won their final against Yankalilla but lost the preliminary final to Victor Harbor.

Thurs Div. 3: Won their first final but lost to Yankalilla Black in the preliminary final.

Sat Div. 5 only just missed out on the finals

Thursday Ladies Div.3 Unfortunately lost the Preliminary Final to Yankalilla Black by 1 shot.

As a Club we should be proud of our achievements throughout the year. We should also be proud of the way we have interacted and conducted our-selves as representatives of the Club, which is the reason we have such a good reputation.

Club Championships

The Club Championships have now concluded with the following being the 2020/21 champions:

Club Champion: Darryl Williams

Ladies Champion: Marion Searle

Pairs Champions: Mark Schell & Leon McInnes

Ladies Pairs: Deborah Farlam & Barbara Churchill

Fours Champions: Jim Edwards, Steve Dawes, Ray Hirst, Darryl Williams

Handicap Singles: Mark Schell

Drawn Pairs: Steve Dawes & Darryl Williams

Mixed Pairs: Marilyn Gatley & Darryl Williams

Most Consistent: Darryl Williams

GSBA Champion of Champions

We are extremely proud of all members who represented us in the association Champion of Champions. To walk away with two wins is icing on the cake.

Our successful teams were:

Men's Pairs: Leon McInnes & Mark Schell.

Mixed Pairs: Marilyn Gatley & Darryl Williams.

It was all the more special when you consider that these two have won the title three times in the last four years.

Saturday Social Bowls

Social bowls will start Saturday 1st May 2021 at the Club for the winter period (weather permitting). If you have ever wondered what bowls is about or you are keen to have a go please be at the Club 12pm for a 12.30 pm start. Please wear flat soled shoes. Bowls will be available for you to use and there will be experienced bowlers on hand to assist. Tea and coffee will be available and the bar will be open if you would like something stronger. Please note that the Club now has EFTPOS facilities. Hope to see some new faces soon.

A Place in the Heart

Clarendon Netball Club

We excitedly kicked off the 2021 netball season on April 24th with the Anzac Day round held at Southern United Netball Association. The whole association was out there together to celebrate! This season we have a total of 19 teams with 10 x Junior and 9 x Senior teams participating in the competition. We are looking forward to another fun and competitive season with over half our teams winning their first matches and all teams showing some great signs.

Our volunteers have been out in force making the most of some great fundraising opportunities - the McLaren Vale marathon, Bunnings BBQ and Anzac Day breakfast in Clarendon. A big thank you to all those who helped out! These efforts contribute to lowering the costs to our players and encouraging our strong family environment.

Cultural Awareness Workshop

The Clarendon Community Association is pleased to be offering the second Cultural Awareness Workshop. We still have places available for this day of walking with Kaurna Elders - building a sense of connection with both their culture and country.

Bookings are essential. Please contact secretary@cca.clarendon.org.au if you would like to know more.

CULTURAL AWARENESS WORKSHOP #2

Saturday 22 May 9am – 4pm

Kaurna Southern Cultural Tour

Kaurna's Southern Cultural Tour includes visiting highly significant and important Kaurna sites. Throughout the day we walk country together, building a sense of connection and unpacking a shared understanding of cultural values. We will discuss the impacts that are placed upon Kaurna and significant sites, encouraging open and honest dialogue about developing pathways in working together for future generations.

Meet at 9am at Community Hall to organise a carpool for the day
Cost per person \$30
Please bring packed lunch, walking shoes, sun cream and a hat.

Clarendon Primary School & Kindergarten - National Reconciliation Week

The Clarendon Primary School are organising an event at Riverbend Park from 9am on Saturday 29th May 2021. This will be the culmination of National Reconciliation Week with the theme this year 'More than a word. Reconciliation take action. The reconciliation movement urges everyone towards a braver and more impactful action.'

The event details are yet to be finalised however the Primary School and Clarendon Community Association have a broad plan to include a Welcome Ceremony at Riverbend park, stories and songs and then back to the Primary School for morning tea. It will begin at about 9.30am and everyone is invited to attend. Details will be published through the Primary School & Kindergarten networks, Clarendon Facebook pages and other prominent places in Clarendon.

Upgrades at pavilion

The Clarendon Community Association has been working closely with the Onkaparinga Council to plan how to repair the steep slope in front of the pavilion. Work will commence this week (if all goes according to plan1) building a stone retaining wall and wide stone steps as the first part of this much needed upgrade. We hope to create a space for people to congregate to watch sporting events or even just to sit to enjoy the views of these gorgeous grounds. Thank you to Andy Smith from the Onkaparinga Council who has managed this project in conjunction with the Clarendon Community Association.
