Clarendon Rainfall Summary

February 2023	21.4mm
Days of rain	6 days
February 2022	42.2mm
Days of rain	5 days
Year to date 2023	53mm
Days of rain 2023	9 days

**Thank you to our very own
rain-man Bill Jared**

Event Planner Exroadinaires

These boys are our behind the scenes CCA Events Committee. They plan, organise, advertise, instigate and triumph at each event. From the Clarendon Cricket Day to the Christmas Carols and all the events in between – they are the team! The reason behind every event is community engagement. We think they do it well and thank them for helping to keep our community connected, engaged and entertained.

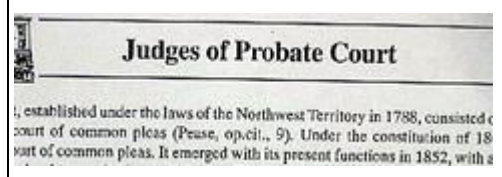

More photos can be found on the Clarendon Events Facebook page – thanks to Brad from No Anchovies

Clarendon Branch of the Agricultural Bureau

The Clarendon Branch the Agricultural Bureau February 2023 meeting speaker was me on the subject of applying for Probate through the Courts SA website. I began by explaining that the process is very difficult even though in September 2022 the process was simplified. Unfortunately, the change has left a substantial number of obsolete documents on the Courts SA website. I explained that the application can now be made via the Courts SA website where you register yourself as the Deceased's Executor and choose a password to access the Probate Application website. The Probate website enables you to enter all relevant details of the deceased and their property, motor vehicle and other possession including a fixed and/or notional value of those items. The website also enables you to upload a copy of the deceased Will and a copy of the Death Certificate. On completion of entering the required data you are then required to pay by credit card the probate fee then you are also required to access a cover sheet form that is required to be printed at the end of the process. To complete the process put the original JP Certified deceased Will and a certified copy of the Death Certificate in a "White A4 Envelope" and staple the cover sheet to the envelope and hand deliver this to the Probate Office in the Samuel Way Building Victoria Square. If all the above appears too hard then engage a Lawyer to do the whole process on your behalf at a cost to you.

Tony Fagg
President

As our season draws to a close, we congratulate two of our Pennant sides who have progressed to the finals. Division 1 finished fourth following an extremely successful first year in the highest division, and the ladies' team finished on top of the ladder and commence the finals series this week. This is an extremely pleasing result for such a small club and all our players are to be commended.

Congratulations also to our club champions who will compete against other club champions for the title of Great Southern Bowling Association "Champion of Champions". Representing Clarendon in the Ladies Triples are Deb Farlam, Marion Searle and Jenny Wood, whilst Deb Seja and Christine Groemer will contest the Ladies' Pairs. The Men's Fours progressed to the second round, represented by Jim Edwards, Darryl Williams, Don Taylor and Peter Pisters. Leon McInnes and Mark Schell will contest the Men's Pairs and Ron Colgan, Ray Hirst and Andy Hall are playing in the Men's Triples. We are extremely fortunate to have such talented players representing our club and wish them all the best in their tournaments.

We wish our teams the best of luck for the finals and hope that they can win yet another Pennant for the Club.

Men's Fours L to R: Jim Edwards, Darryl Williams, Don Taylor, Peter Pisters

Spring Trading Hours

The **Clarendon General Store**

Trading Hours

Monday	8am-6pm
Tues-Fri	8.30am-5pm
Saturday	8.30am-4pm

Clarendon Primary School

Green Adelaide Grant

Clarendon Primary school won an amazing grant from Green Adelaide. Through the grant we will be engaging in environmental education at our site which includes identifying and removing woody weeds, like ash trees, from our outlined revegetation areas. We aren't doing this alone and will get support from Balanced Habitats to get these weeds out safely. They have sourced 150 local native plants that are suitable to our area, reflecting what was here before us and promoting habitat for our local insect and bird species. Balanced Habitats will also help support our planting day, where the community and local kindy have been invited to help us place the tube stock in the ground to ensure maximum survival.

This also involves us connecting with the local community. We will be attending Warriparinga with the kindy to go on a cultural and history tour to assist us in understanding the strong connection the Kaurna people have with our site, as well as the importance of responsibly planting in our environment. There will be a Welcome to Country to open our revegetation sites, to thank volunteers and our local community for their efforts. To further our connection to community and help increase the understanding of Kaurna culture in our local area, we will be hosting two cultural awareness training nights which will be open to our wider community. The aim of all of this is to have our revegetation efforts include acknowledgement of Kaurna custodianship over land, and share knowledge of land management techniques by starting conversations in our school and wider community. We will let the community know as soon as we have some dates for our community engagement events.

Clarendon Kindergarten

What a fabulous start to the term we have had at Clarendon Kindergarten. We feel so fortunate to have such a kind, helpful, friendly, independent and curious bunch of children! We have had a wonderful time getting to know them and watching their friendships, abilities, interests and personalities develop.

We have worked with the children to help follow their interests and have been taken on investigations into colour mixing, rainbow making, magnets and magnifying glasses! Children have worked together to play soccer, go on bug hunts, create shopping lists for toys to purchase, picked tomatoes from our veggie patch, played pirates, designed flags and looked for treasure! Each day brings new learning opportunities and it is fantastic to engage with the children to encourage and improve upon their ability to communicate their ideas and thinking. As part of our Quality Improvement Plan (QIP), Clarendon Kindergarten's goal is to develop these communication skills through the strategy of 'sustained shared thinking' with the children. Put simply; 'sustained, shared thinking involves children and educators working together in conversations which provide opportunities to discuss and think about problems or challenges in a serious, extended way.' We look forward to sharing more learning with you and encourage you to also engage in meaningful conversations with each other using questioning such as What do you think...? What will happen if...? I wonder why...? Can you tell me about that?

Clarendon & Districts 50's Plus Club

Hazel McKenzie Hall

Harper Road, Clarendon

All Welcome

An invitation to come along to:

Monday

Yoga; 9.15 ---10.15

Phone Shoba: 0474 193 192

Tuesday

Friendly connections

9.30am – 2.30pm

Indoor bowling, cards and games, pool table, darts etc.

Are you a landholder or bush-carer? Do you want to learn about bandicoots?

Photo: Rosemary Goland

When:
26th March 2023
Hall session: 10am - 1pm
Site visit: 1:30 - 2:30pm (optional)

Where:
Kangarilla Progress Hall
(at the recreation ground/oval)

Join us to talk bandicoots at our bandicoot conservation workshop

You'll hear about:

- The difference between bandicoots, rats and other small mammals
- How to maintain a bandicoot friendly habitat
- How to help monitor and record bandicoots
- Kangarilla's bandicoot conservation project
- The Bandicoot Superhighway project

Optional demonstration site visit after lunch
(site is a short drive away, carpooling recommended)

Photo: Kirstie Abley

Morning tea and lunch provided
Places limited - Please RSVP by 19th March

Click to [register via Eventbrite](#) or
Email: events@ncssa.asn.au
Ph: (08) 7127 4630

Cost: FREE

This event is a partnership between Kangarilla Landcare Group and the Bandicoot Superhighway Project

The Bandicoot Superhighway Project partners: The Sturt Upper Reaches Landcare Group, The Nature Conservation Society of SA, Landscapes Hills and Fleurieu, Green Adelaide, National Parks and Wildlife SA, The University of Adelaide and Friends of Parks Groups.

The SURLG Bandicoot Superhighway Project work is supported through funding from the Australian Government. Landscapes Hills and Fleurieu Bandicoot Superhighway Project work is funded by the Foundation for National Parks & Wildlife.

We acknowledge that Bandicoots, and their habitat, are important to the First Nations peoples of the Mount Lofty Ranges, including Kaurna, Peramangk and Ngarrindjeri.

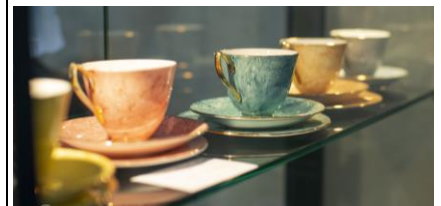

Clarendon Op Shop

Our community Op Shop has celebrated its first birthday.

Many of the community groups in Clarendon are involved and provide volunteers to open the shop Friday, Saturdays and Sundays.

Working bees are organised regularly to keep on top of all the donations. Please email opshop@clarendon.org.au if you would like to be involved.

A place to connect with community, a place to feel welcome, a place to feel the community spirit, a place to shop and a place to find a treasure.....

Hello from Clarendon CFS

Incidents in January/February

Nothing significant in our area but we did send our small truck to support the Montacute fire and we also sent one of our members to Pt Lincoln to help there as well.

Despite the end of summer dawning on us – fire season doesn't end until the end of April – please don't be complacent. **Take every fire ban day seriously and always put your fire plan in place the night before.**

What does the Clarendon CFS do to prepare when we know a bad day is coming?

The first thing we do is start hydrating ourselves. A good guide **as a minimum and if we were doing nothing at all** is 1ml/kg/hr. If you weigh 80kg – you would need to drink a minimum of 80x24 – so almost 2 litres of fluid just to meet the basic needs of the body. When we are firefighting we are told to drink 1 litre per hour!! We also have regular snacks of glucose or high carbohydrate source such as muesli bars when we are working.

We will also have regular snacks throughout the day. We may be on 'active standby' at the station – not always though. This means that we would have a crew at the station, dressed and ready to go. Our equipment (including our trucks) is checked every week to make sure it works on the day. We have our pagers, and we have an 'app' that tells us who is able to respond on the day.

If you plan to stay and defend your home -you need to ask yourself if you are really ready. What do I do to prepare?

Is your house defensible? The CFS website 'prepare for a fire' will tell you what you need to do.

From a physical aspect – start hydrating as soon as you get up. Have a good breakfast. Make sure you have light clothing that covers your entire body including goggles, mask and hat. Sounds crazy to wear all of this on a really hot day – but look at what we wear – it is for a reason!

You are always welcome!

We are always there every Monday night except public holidays from 6.30pm. You are always welcome to see what we do and learn valuable skills to protect yourself, your family, your pets and property.

Fundraising

We continue to be very grateful to have the opportunity to participate in our wonderful local Op Shop. This has generated an income that we have never had before. So far, we have purchased a printer, a large colour TV for the training room, some additional hand tools that are not standard stowage. Other plans for this money include providing a polo shirt and jacket for our newer members that we have been fortunate enough to welcome into our brigade. This money also provides for other niceties like biscuits for coffee and ice-creams and ice blocks and the occasional sausage sizzle for team building.

Keep safe!

Sue Leslie

Brigade Captain

0423969817 sue.leslie@sacfsvolunteer.org.au

I have an idea

Do you have an idea about an event or project that you would like support to bring to fruition? The CCA is very keen to support all kinds of local activities and events. Our plan is to ensure that Clarendon continues to flourish to grow and to support and empower community members like you.

Ideas bubbling away at the minute include:

- Harvesting olives
- A tomato preserving day – maybe even sharing tomato seedlings to start it off
- Muriel's bake off
- An outdoor cinema evening
- Apple Cider Crush
- Community Dinner
- Public awareness campaign to reduce speeding vehicles in the main street
- Community yoga
- Toondilla Trail
- Clarendon's history both European and Aboriginal

Our CCA committee is small but committed and we would love to hear your ideas.

Look for us on Facebook:

- Clarendon Community Association
- Clarendon Community Forum
- Clarendon Community Events

You are invited to have your name and memory immortalised at Clarendon Primary School

A donation of \$35 entitles you to have your hand-drawn or printed text engraved into a paver as a lasting record of your valued contribution to our school community. The paver will be permanently installed in the school grounds.

- Step 1:** Complete this form and return along with full payment by EFT or credit card by **Friday, March 10th**. No cash please.
- Step 2:** After receipt of payment, an order form will be sent home with details for how to complete hand drawn or engraving details.
- Step 3:** You will be given two weeks to complete your order form at home and return to school. We will collate all order forms and send them to Signature Engraving for processing. A 6-week delivery time is expected. Pavers will be securely stored at school and a community project for installation sometime this year.

Return to the school office or email dl.0720.info@schools.sa.edu.au
