Clarendon is celebrating its 175th Anniversary

11am – 4pm Sunday 17th October
2021 at Riverbend Park

Clarendon is celebrating its 175th anniversary this year. The Clarendon Museum along with the Clarendon Community Association are organising a community picnic at Riverbend Park to celebrate this historic occasion. It will be a relaxed, family friendly event, free for all to enjoy with music, activities and educational displays relating to Clarendon's past. We will be constructing a 'Memory Archive' on the day, where people can write down their favourite memories of Clarendon to be saved for future generations to enjoy.

We encourage anyone who has or had a connection with Clarendon in the past to come along and share your stories.

Asian Slaw – thank you Louise from the Nourished Village

Coming into warmer season it's great to have a few salad recipes up your sleeve. I love salads because you can mix and match to anything you have in your garden and they're a great way to boost your serve of veggies for the day! We had this one recently because we were all out of mayonnaise but wanted coleslaw.

Share your favourite salad recipe on the Clarendon Community FB page!

Recipe

1/4 red cabbage, shredded
1/4 white cabbage, shredded
2 carrots, grated
1 bunch of kale, shredded
1 spring onion finely sliced
Mix them all together in a bowl

Dressing

3 tbs extra virgin olive oil
1 tbs sesame oil
1 tbs soy sauce
1 tbs grated ginger
1/2 tsp chilli flakes (optional or to taste)
1/4 cup rice wine vinegar
All mixed together
Pour over the salad veggies. This is good to do in advance, so the dressing softens the cabbage and kale.
Sprinkle with coriander and sesame seeds.

Enjoy

BOWLS IS BACK!

Clarendon Bowling Club's 21/22 season will commence on 9th October with the first of 18 rounds of the Saturday Open Division, together with 14 rounds of the Thursday Women's Division.

The official season opening was held at the club on Saturday 25th September where members enjoyed a BBQ lunch and an informal intra-club game following the ceremonial rolling of the jack and the first bowl of the season, which were delivered by last year's male and female club champions.

Clarendon Bowling Club is a member of the Great Southern Bowling Association which administers competition throughout the southern Fleurieu Peninsula and comprises 13 clubs, including those as far away as Langhorne Creek, Goolwa, and Encounter Bay. We are very fortunate to play our away games in such charming country towns and seaside locations.

Our club has sides in Divisions 2, 4 and 5 which play on Saturdays and one Division 3 side in the Ladies' competition on Thursdays. Our club also hosts inter-club tournaments in December and March each year. To prepare our facilities for the new season, a working bee was held on Tuesday 28th September to spruce up the clubrooms and green. A team of volunteer members were busy cleaning windows, light fittings, shelters, and seating, as well as sweeping, and vacuuming internal and external areas.

We're all looking forward to another successful season and invite you to join us as a spectator and enjoy a relaxing afternoon, or even join the club as a player if you're interested in becoming more involved.

Grow Free Cart

Congratulations – 1 year on.....!

Local residents Elisa and Paul Ridings have built a grow free cart and it is now set up at the Clarendon Community Hall.

The Grow Free concept originated in Strathalbyn and now has hundreds of carts world-wide.

The motto is "Give what you can, take what you need". This is a way to make homegrown excess food, seedlings, plants and related items free and available to whomever needs them. It is a communal place that people can place their excess knowing it will be appreciated by others.

Clarendon Netball Club – 2021 season wrap up

Winter 2021 is all wrapped up, with Clarendon represented by the Inter 1 Black, B1 Black and C2 sides in the Southern Hills Netball Association Grand Finals on 4th September 2021. All three matches were incredibly hard-fought and congratulations to C2 (pictured) coming away winners! Commiserations to Inter 1 Black and B1 Black who played hard until the end but just missed out on the day.

We had a wonderful time celebrating the 2021 season with all our teams over a number of events held at The Vines Golf Club. Pictured are our 2021 Committee coming together at our Senior Presentation Night on 11th September. Congratulations to all award winners and thank you again to those who help keep the club running, including committee, coaches, team managers and more. Our AGM is coming up on Monday 11th October 7:30pm at the Clarendon Bowls Club for all interested in joining our fantastic committee.

We would like to send our thanks to all our sponsors for 2021 and in addition a very big thank you to Ben and Curly of Clarendon Bowling Club for looking after us every Saturday evening after game days.

We now look forward to the upcoming summer season, with a number of Clarendon teams being entered in the Southern United Netball Association competition for some fun and fitness in the off-season. If you are interested in participating, please contact our Summer Coordinator, Simon Carvell via shnadelegate@clarendonnetballclub.com.au.

Thank you to the hard working

Entrepreneurial inspiration at Heathfield High School

Recently, I joined the Hon David Pisoni MP, Minister for Innovation and Skills, and SA's Chief Entrepreneur Andrew Nunn, at Heathfield High School to see how their Entrepreneurial Special Interest Curriculum is progressing.

Once we arrived, the entrepreneurial students showed us to their classroom where each of the groups presented their business plans and how they were going to make their ideas come to fruition. The Minister, Andrew Nunn and I also joined in with an informal Q&A to discuss how the students came up with their ideas. It was encouraging to see that some of the students had even started their own business ventures outside the classroom. Look out, I'm sure we will see some very clever business emerge from these creative students!

After the various presentations, we had a quick tour of the school and the building works taking place. It was incredible to see the transformation of the old classrooms into fantastic collaborative spaces for the students now and in the future.

Guest Speaker Trevor Harslett Berry Funeral Consultant

Trevor introduced himself, providing background to how he became a Funeral Director with Berry Funerals. Trevor compared the arrangement of a wedding when the organisers have at least six months to organise the wedding and the cost could be quite extreme. The organisation of a funeral could be as short as one week and the cost could be quite extreme. However, there are minimum requirements that could be met to reduce the cost. Trevor further explained that Cremation is no different to burial where a Cremation could reduce the body to ashes in three hours and a burial the body would reach complete desideration in thirty to fifty years. Trevor explained that with a funeral there are lots of emotions to deal with when providing a service to the deceased relatives and their grief could be hard to deal with as well. Trevor concluded by explaining that if a death occurs then the first call should be to the Ambulance Service which would lead to the police being called, then the patients Doctor and if necessary, the coroners and/or Funeral Service to collect the body.

AFFORDABLE ONKAPARINGA

A discussion about affordable living.

For Anti-Poverty Week, the City of Onkaparinga invites residents and service providers to talk about the best ways to support people who are finding it hard to make ends meet.

This is about sharing knowledge, focusing on what people need most, and presenting ideas for how we can work together.

Wednesday 20 October, 5.30-8pm

Free Cat Desexing and Microchipping

The RSPCA is offering a free cat desexing and microchipping program for Onkaparinga Council residents. The program aims to see 2,000 cats desexed by June 2022. While it can be expensive to desex a cat, this free program will help many access this important service. The next dates are Thursday 23rd September and Thursday 7th October.
