

## September 2021

Sweet, sweet spring has arrived here in Clarendon

I followed this gorgeous rainbow all the way home last week. I was hoping that Emily (Emprades) would have taken a photo as she captures Clarendon beautifully..... and she did not disappoint. Thank you for sharing Emily.

## Clarendon Kindergarten and the Grand Garden

It's spring in Clarendon. The buds are beginning to bloom, the sun is beginning to shine, and the children of Clarendon Kindergarten are absolutely buzzing with learning intentions about the changes in our garden.

Earlier this year our kindergarten was lucky enough to receive a grant from Woolworths Junior Landcare to assist us in developing a better eco system for our native wildlife. While we patiently waited for the soil to warm up enough to start digging, we have been exploring bug hotels, doing some light weeding, and examining which creepy crawlies are already habiting our environment. We are so excited to watch as our space changes this spring with our new garden after our working bee in three weeks. Stay tuned for pictures and to hear all about it!

### Calling all green thumbs.....!

Clarendon Kindergarten is working on making our yard a little greener, and a whole lot more beautiful.... but we are a very small team.

We are reaching out to our community to ask if anyone is available to help us garden on Saturday September 18? If you are willing to lend a hand, please send an email to [lauren.bowden511@schools.sa.edu.au](mailto:lauren.bowden511@schools.sa.edu.au) or leave a message on 8383 6115. We really appreciate your support.

*Thank You  
for being patient*

WE ARE HAPPY TO ANNOUNCE THAT  
CLARENDON PLAYGROUP IS  
RECOMMENCING MONDAY SEPT 6.  
PLEASE WEAR A MASK AND SOCIAL  
DISTANCE

*see you then!*

## Book Week at Clarendon Primary School

Book Week is always an exciting week in the school calendar and this year was no different!

Our students and staff dressed up on Wednesday for the annual Book Week parade and enjoyed a range of activities from the 2021 short-listed books, up for Book Week awards.

We worked in mixed aged-groups which allows for the older students to 'buddy up' with younger students.

This is a key feature of life in our small school, where our older students regularly support and mentor the newer members of the community.

In the afternoon the students all watched a performance from the Splash Theatre Company.

Book Week was again a great success at CPS!

## Clarendon Bowling Club – come try Night Owls

Bowls has given great enjoyment to many people and we hope you will experience the same enjoyment by joining a team in the very popular Night Owls competition at the Clarendon Bowling Club.

Anyone can play, all you need is a pair of flat-soled (no heels) shoes and comfortable clothing. Alternatively, you can play in bare feet. To join Night Owls just gather a team of four, or join with other players at the Club. It's a fun way to enjoy the sport with weekly prizes, a BBQ and bar, raffles, theme nights and more.

The 2021/22 Night Owls season commences on Friday 5<sup>th</sup> November. Two rounds are held, one before and one after Christmas. The first six game round is a good way to learn or simply enjoy bowling, as there is no formal competition. There is a competition with a ladder and overall winner for the second round of eight games.

The club also has a good selection of bowls in all weights and sizes which you can borrow, and there's always someone on hand to assist with coaching for beginners.

Night Owls is played by people of all ages and is all about enjoying the game in a relaxed and fun environment with family and friends, so if you're new to the sport or have played previously and would like to return, please consider joining us on Friday evenings from 6.00pm .

Please contact Don Crosby on 0409 284 712 or email [damdcrosby@gmail.com](mailto:damdcrosby@gmail.com) to register your interest.

## Grow Free Cart

Congratulations – 1 year on.....!

Local residents Elisa and Paul Ridings have built a grow free cart and it is now set up at the Clarendon Community Hall.

The Grow Free concept originated in Strathalbyn and now has hundreds of carts world-wide.

The motto is "Give what you can, take what you need". This is a way to make homegrown excess food, seedlings, plants and related items free and available to whomever needs them. It is a communal place that people can place their excess knowing it will be appreciated by others.

## 2021 Clarendon Branch of the Agricultural Bureau of South Australia

126<sup>TH</sup> Annual General Meeting held at the Royal Oak Hotel

### Presidents Report

On behalf of the Clarendon Branch of the Agricultural Bureau committee I would like to welcome everyone to the 126<sup>th</sup> Annual General Meeting of the Clarendon Branch of the Agricultural Bureau. We continued to reach out to the Clarendon Community to increase our numbers and with some success. To maintain this, I continue to include an article in the monthly Clarendon Community eNews where I provide details from our monthly meetings. We have been lucky to entice a wide range of guest speakers and even more lucky to have members willing to be guest speakers for which we greatly appreciate.

Unfortunately, this year again been disrupted by the COVID-19 Pandemic which affected our meeting formats with initially stopping platters to share and after meeting refreshments.

Our branch has continued hold our usual monthly meetings at the Clarendon Community Hall.

In closing I would like to thank the committee and members for their support to the continuation of the Clarendon Branch of the Agricultural Bureau.

President

Tony Fagg

### Mayor's Garden Competition

Entries for the 2021 Mayor's Garden Competition are now open.

It's that time of year again, where we celebrate our city's keen and passionate gardeners. It's pleasing to see the passion that people in our community have in establishing and caring for their beautiful gardens. The 2021 Mayor's Garden Competition recognises local gardeners and encourages community interest in local gardens, which enhances the presentation and liveability of our city. Entries are now open in the following categories with prizes on offer:

- Urban
- Small or courtyard (smaller than 600m<sup>2</sup>)
- Mid to large (Larger than 600m<sup>2</sup>)
- Rural
- School
- Community

Entry forms are available at our libraries, council offices and online, with entries closing on 17 September. Judging will take place between 11–15 October.

Each entry will be judged on the following:

- First impressions
- Design
- Maintenance
- Sustainability

For further information and entry forms go to [onkaparingacity.com](http://onkaparingacity.com).

I had the pleasure in assisting the mayor and staff of the judging panel for this competition in 2020 and look forward to participating again this year.

Thank you for sharing this news Geoff Eaton – Onkaparinga Council

## Our National Flag – Clarendon Historic Hall & Museum

120 years ago, on the 3rd of September the Australian National Flag was flown for the first time. To commemorate this important milestone in our Nation's history, the 3rd of September every year is Australian National Flag Day.

The Australian National Flag is the foremost symbol of our nation. The flag's role, like that of all national flags around the world, is to unify the nation as it belongs to all Australian citizens equally. As one of Australia's most important symbols, the flag has to be treated with dignity and respect. The Department of the Prime Minister and Cabinet has an exhaustive collection of resources detailing the many protocols for handling and displaying the Australian Flag. It even describes the proper way to dispose / decommission the flag.

One earliest photos of flagpole 1933

The Australian Flag has flown proudly out the front of the Clarendon Museum (former Christian Bible Church) for almost 100 years. You may not have noticed that the flagpole has recently been replaced. As a state heritage listed building, a special-order replica flagpole had to be made in Victoria. A specialised trailer was required to transport the flagpole so that the wood would not be tied down too hard and cause warping.

This is a photo of the flag flying outside museum during an Election Day when they were held at museum

Respect....

This is a photo of flag at half-mast for local resident Nicky Richards

Another thing you may observed is that the flag isn't flown every day. This is intentional, as the flag is used to alert residents of important dates and special occasions, such as Anzac Day, NAIDoC week, or the passing of a local resident. So next time you see the Australian Flag flying at the Museum, have a think about what the special occasion may be?

Or just go ask Gavin at the store :)

### Vaccination Pathway

The rate of vaccination against COVID-19 in SA continues to increase, and we've made particularly good progress in the Hills. Access to vaccinations in regional SA has been open to everyone aged 16 years and over since 25 May and we've responded well in the Hills. Recently, I received my second dose. Just like my first appointment, the second vaccination was very straightforward, and (almost) pain free! I found advice to drink plenty of water on the day, each time, was helpful.

Thank you to all of those many dedicated staff ensuring that this important work for our Hills community is done so well. As of 16 August, anyone aged between 16-39 is eligible to receive either the AstraZeneca or Pfizer vaccine at any SA Health operated vaccination clinics.

It is important that we all contribute to making SA the safest place it can be. Vaccination is a key pathway out of the pandemic.
