## April 2022

### Anzac Light Memorial & Film – Australian War Nurses

Clarendon Historic Hall & Museum 7pm-9pm

Friday 22<sup>nd</sup> April – Monday 25<sup>th</sup> April 2022

For Anzac Day this year we are commemorating the heroic contributions nurses have made during times of conflict. This year's Light Memorial has been extended, and will feature poignant insights about our wartime nurses, a tribute to our local nurses who served, plus the memorial to our fallen soldiers of WW1 and WW2., Catch a viewing of our latest documentary 'Chin up girls, Australian War Nurses' at the Light Memorial. This 12-minute documentary explores the amazing work these women did in caring for the wounded. It also features stories of our own local nurses, Sister Lucretia Smart and Sister Nicky Richards. Although the stories of what these women endured can be heartbreaking, it was their ability to remain resolute against the odds, to heal the sick and the wounded, that is truly inspiring.

The run sheet for Anzac Day itself is as follows, and everyone is welcome...

6am - Playing of the last post over the town.

We will again play the last post at 6am. This will be followed by the reading of the Ode by local veteran Robert Cartridge, and we finish with the playing of the national anthem.

8:30am - Breakfast at the Clarendon Museum carpark

The Clarendon Netball Club are once again putting on a BBQ with proceeds going to the RSL

10:30am - Anzac Day service at the war memorial

11am - Morning Tea at the Uniting Church

Please spread the word far and wide, to encourage people to attend our Anzac events. Even though we are a small town, we can play an increasingly important role in providing meaningful experiences that honour those who have paid the ultimate sacrifice.

### Harmony Week

The second last week of March was Harmony week and Clarendon PS celebrated with a focus on culture and difference. Students made anti-discrimination posters, cooked up some delicious Eastern-European food with help from a local family, wore cultural dress or orange (the colour of Harmony Week) and undertook classroom activities with this focus.

### Year 5-6 Boys cricket

On Tuesday, the Year 5-6 boys trotted off to Clarendon Oval for their very first game of hard-ball cricket against Encounter College. Even before the game started, we saw some excellent bowling and a classic catch from one lad! The day saw highlights for all boys including a 4, some run outs and wickets. Whilst Encounter won the match, the Clarendon boys won the hearts of the crowd with their enthusiasm and perseverance. Well done boys and thank you to those who keep our beautiful oval and the facilities in such tippy-top shape.

## Clarendon Op Shop is open....

How great does the new Op Shop look? Our community hall has been transformed into a bustling shop with so many treasures and bargains to be had.

Many of the community groups in Clarendon are involved and providing volunteers to open the shop Thursday, Friday and Saturdays. There is even talk that it may open on a Sunday.

Times and days are still evolving as we work out what times best suit.

Come and support this great little shop. Volunteer your time, recycle your unwanted goods, come buy a treasure.....come and say hello!

## Clarendon Tennis Club News

The tennis season has come to an end. It started off a wee bit crazy with a small and mostly brand-new committee, but we managed to sort it out and get through.

The seniors had one team this season and would love new members to help fill these spaces (especially women!). Unfortunately, they did not make finals but had fun and look forward to doing it all again next season.

The juniors had 3 teams and a hot shots group that trained on Thursdays. Our season ended well with our only eligible team (Division 4) making the grand final. They fought hard and only lost by 3 points to a very strong John Wesley club. The 6th and 7th Divisions developed really well throughout the season and more importantly, had fun!

Excitingly the courts have been resurfaced, with new nets supplied. Division 4 managed one training session on the new courts and the rest of the juniors were able to have a hit on them at our breakup on Sunday.

The club held a social tennis night to gauge interest in social tennis next season. It was a great success and so much fun. There were a few new faces, which we love to see. We aim to have a social tennis competition next season. If it's something you're interested in, get in touch so we can keep you updated. Keep an eye on the Clarendon Tennis FB page and the Clarendon Community FB page for updates later in the year (September).

Thanks to the Op shop for their generous donation that will be going towards building up our club next season.

We all know how many people it takes behind the scenes to ensure a club is successful. If you're interested in becoming involved either as a player, parent, umpire or a committee member (even if you don't know a thing about tennis!) We'd love to have you on board to ensure our club stays viable.

If you or your children are interested in playing or being part of the club, please contact Louise on 0423 882 428 or through the FB pages.

Lou Pickford, Junior Co-ordinator

## News from Josh Teague's Office

Thank you to the electors of Heysen for endorsing me to continue to represent Heysen as their Liberal member of Parliament. I am humbled; and never more motivated to work for and together with all of our communities, being their voice in State Parliament.

I acknowledge and thank also my colleagues who were unsuccessful at the election. There is a proud legacy of hard work and achievement. I recognise and thank Steven Marshall for his leadership.

## News from Onkaparinga Council

### New Acting Mayor for City of Onkaparinga

Following the Labor Party's win at the state election on 19 March, it's been confirmed that our Mayor Erin Thompson won the seat of Davenport and will therefore be leaving Council. Because Local Government elections are coming up in November, there will be no by-election to determine a replacement. The Council has appointed Cr Simon McMahon as acting Mayor for the remainder of the term until November.

### Simple Living Series

Council has partnered with *Folks of All Trades* to provide some awesome free online simple living skills sessions.

#### Learn new simple living skills without leaving home

Ready to learn some new simple living skills in 2022? As part of the Resilient South initiative, Council has partnered with *Folk of all Trades* to provide some awesome free online sessions.

*Folks of all Trades* is a local Aldinga based business run by two environmental educators who are committed to low impact living initiatives and sustainable living practices.

The 2022 Simple Living Series covers topics from bread making to using chooks as your secret weapon in controlling garden pests.

These free online workshops take place at 12 noon on the first Wednesday of each month. You can join in via [Facebook](#) where you will find individual event links for each workshop one week in advance.

## Grow Free Cart

Local residents Elisa and Paul Ridings have built a grow free cart and it is now set up at the Clarendon Community Hall.

The Grow Free concept originated in Strathalbyn and now has hundreds of carts world-wide.

The motto is "Give what you can, take what you need". This is a way to make homegrown excess food, seedlings, plants and related items free and available to whomever needs them. It is a communal place that people can place their excess knowing it will be appreciated by others.

## WE DID IT!

Since our last newsletter, the finals' series has been completed, and we are very pleased to report that both our Division 2 and Division 4 teams won their respective Grand Finals and are the Great Southern Bowling Association Pennant winners for this year. Our congratulations to both teams, who outclassed the opposition throughout the season, and thoroughly deserved the reward.

Both teams played their finals at Encounter Bay on Saturday 19<sup>th</sup> March in almost perfect conditions and were well supported by members of the Division 5 team who had unfortunately lost the preliminary final the previous week, by a mere 3 shots.

The final score for Division 2, was 70 shots to Willunga 48 shots, and Division 4 defeated Goolwa 68-51.

The week before, our women's team also achieved a very pleasing result, being Division 3 runners up.

Members of the victorious Division 2 and 4 Pennants teams

---

Congratulations to Darryl "Willo" Williams who also won the Great Southern Bowling Association "Champion of Champions"

---

Now the fun begins, with social bowls being played each Saturday afternoon from 12.00. Why not join in and be part of a winning club!

## Community Led Emergency Resilience Workshops Now in Clarendon

With a changing climate influencing projections of increased natural disasters, there is an increasing need for communities to become more engaged with existing emergency management through locally appropriate and community-owned actions.

### Please join Red Cross' Community-Led Emergency Resilience project through participating in a series of four workshops.

The workshops aim to bring communities together, empowering them to identify and take local actions which are owned by communities themselves. The workshops are for individuals, community groups, local businesses and local government to co-create actions, plans and resources to respond and recover from emergencies.

As part of this project, community participants will have the opportunity to:

- Meet other community members and organisations and learn more about each other
- Understand more about emergency management, roles and responsibilities
- Identify and map strengths and risks in their community
- Increase knowledge of emergency resilience and what steps they can take to increase community emergency resilience
- Learn to use the Torrens Resilience Institute Scorecard as a tool to measure their emergency resilience progress
- Create a community plan that contains actions to increase the community's emergency resilience
- Form a group to oversee actions and ensure their ongoing plans are sustained into the future

**We invite you to be a part of this local project, working with the City of Onkaparinga Council and Australian Red Cross, to build a stronger and more resilient Clarendon community.**

Mark Ashenden will be representing the Clarendon Community Association and is happy to coordinate this group. We are asking for support of all acreage land owners, large and small in and around Clarendon as well as more centralised land owners. Community groups and businesses are also encourage to become involved. Everyone is encouraged to become part of this working group to ensure our community is as prepared as we can be.

Remember prevention and preparedness is preferred to panic.....

Topics to be explored include:

Flooding

Fire

Land Mangement

Emergency access

Traffic incidents

Extreme weather

Bio-security

Hazardous materials

Chemical spills

Missing persons

## Clarendon Agricultural Bureau News

The Clarendon Branch the Agricultural Bureau March 2022 meeting was hosted by a local landowner at her property on Gosse Road Clarendon.

The landowner bought the property about 9 years ago and strongly believes that she is only the custodian of the property, and she needs to care for it for future generations. On her property she has peacocks, chickens, Damara sheep, and an emu that looks after the sheep.

In addition, she has beehives where she annually harvests honey from the hives. She explained the process of re-Queening a beehive and the intrinsic way the new queen is accepted by the hive.

She also explained that the previous owners had planted 500 trees on the property to create a native corridor as well as wind breaks for the grazing paddocks.

Tony Fagg

President

## Netball news

As one season comes to an end another is just about to begin. We started the summer netball season with 11 competitive teams and had 7 teams successfully make it through to the first round of finals. As this eNews goes to print we have 2 teams about to play for the grand final in their division and we wish them every success!

Winter 2022 training has commenced on our newly resurfaced courts and you will see our teams out there Tuesday, Wednesday and Thursday evenings. Our season launch will be a special Anzac round on Saturday 23rd April where all games will be held at the SUNA courts. Then on Anzac Day itself, the club will proudly continue our tradition of providing a sausage sizzle as part of the Clarendon Anzac day activities."

## A timely reminder:

I received an email from local residents who had recently been the unfortunate victims of a robbery. They wanted to let the community know that this robbery was committed during the night. They were in the house asleep and were totally unaware that there were people in their house until they woke in the morning. The police were notified, and although the victims were unharmed, they (rightly so) felt violated and vulnerable.

*"The police have a number of suspects which they are investigating. We are simply wanting the community to be aware and vigilant. Clarendon is a beautiful and safe place to live, and we still believe that after living here and raising our family and grandchildren over 25 years despite this disturbing event."*
