## July 2024

### Clarendon Community Op Shop

Our little Op Shop has been running for just over 3 years. Since the Op Shop opened its doors at the end of 2021 the CCA has disbursed \$130,300 to local participating groups. Of course this is only possible due to the volunteers who 'man' the shop each weekend, turn up to working bees, sort, dust, organise and price..... It is also a lot of fun, and often new friends are made.

The Op Shop has a great reputation in the broader community and people regularly visit from afar to find treasures and bargains.

At the Clarendon Community Association committee meeting last night we discussed how this money has been spent in the community. It would be great to hear from our volunteer groups how the funds have helped them. We will make a point of sharing this information in the next newsletter.

Most of all thank you to our volunteers – it really does take a village to run an Op Shop!

## Clarendon Museum

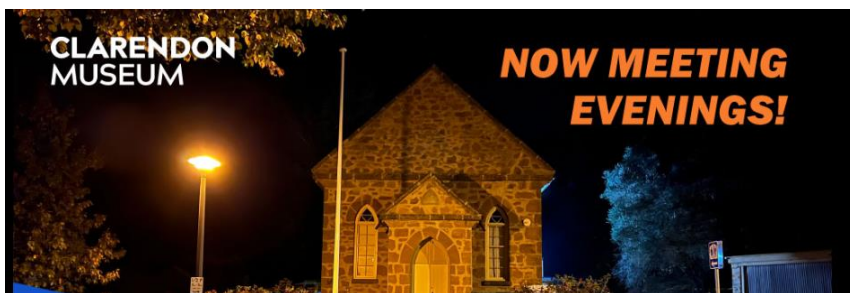

The Clarendon Museum committee is small but mighty. We are lucky enough to have members who can trace their Clarendon heritage back several generations. This provides a unique personal, local and valuable insight into Clarendon's past.

Many visitors who come to the Museum are tracing their own heritage and find they have links to Clarendon and surrounds. They call in to find out more information about their past - families, homes and businesses. They often come with treasures to share – stories, mementos and photos as well.

The committee has been working on a new website for the Museum which will not only show case the local history but will provide a secure digital archive for all the photos, memorabilia and stories as well.

The Clarendon Museum in conjunction with the Clarendon Community Association run the Anzac Day service each year. The Museum committee also produces a documentary which is projected on the Museum as a light display in the days leading up to Anzac Day.

The Museum's small yet dedicated group of volunteers are finding it harder to function with member numbers falling over recent years. Unfortunately, this is restricting our abilities to share services and research with the community. We have many exciting projects on the go and would like to extend a friendly invitation to the general public to come and join us in whatever capacity they can.

There are many ways in which you can participate, and we have friendly volunteers to help guide you through each step no matter your level of experience...

- Event management - creating and running exciting events such as South Australia's History Festival
- Digitising our collection via state-of-the-art scanners and photography
- Researching topics like, people, places and events that have shaped Clarendon
- Writing stories from collated research
- Public Museum Openings

For more information on how you can participate please email us at [history@clarendon.org.au](mailto:history@clarendon.org.au) or call 0422 980 659.

## Clarendon Primary School News

The children at Clarendon Primary School had an amazing Nature Play Day recently where we had the pizza oven cranking for most of the day, various art activities run by staff and parents, and a mud slide that our older students set up in the pines.

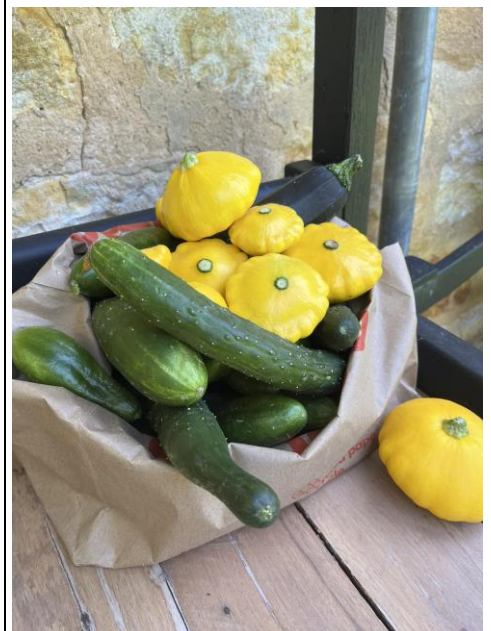

The children were able to make their pizzas at a time that suited them, the bonfire was a place for quiet calm, the kids had an opportunity to craft clay shapes or create wands and there were cubbies galore being built throughout the Village and other shrub-filled spaces.

The weather proved to be a little challenging, with heavy rain hitting Clarendon around midday, with some thunder in the distance, and this put the kibosh on outdoor activities for over an hour. Some of the kids had some respite by watching a movie and others hung around under shelter outside chatting. The rain passed and the kids were let loose in the yard again to continue the day. It was a really fun day by all accounts!

## Grow Free Cart

Our grow free cart located at the Clarendon Community Hall has been well stocked. Please help yourself to what you need and share what you have to spare. Thank you once again to Paul and Elisa – great community people!

## Clarendon Agricultural Bureau News

The Clarendon Branch the Agricultural Bureau June 2024 meeting guest speaker was Sally Jenkins from Harris Real Estate. Sally explained the activities of buying and selling of properties and the requirements to enable a successful outcome for the seller and the buyer.

Sally also discussed the legal requirements to enable the property to be sold in the best interest of the buyer and the seller.

## Clarendon Op Shop

Our community Op Shop has celebrated its second birthday.

Many of the community groups in Clarendon are involved and provide volunteers to open the shop Friday, Saturdays and Sundays.

Working bees are organised regularly to keep on top of all the donations. Please email [opshop@clarendon.org.au](mailto:opshop@clarendon.org.au) if you would like to be involved.

A place to connect with community, a place to feel welcome, a place to feel the community spirit, a place to shop and a place to find a treasure.....

## Clarendon Netball Club News

Exciting news – how lucky are we?

Lucy Austin from the Thunderbirds is coming to Clarendon! We are hosting a free Woolworth's Net Set Go Program on Saturday 13<sup>th</sup> July at Clarendon Netball Courts – 9.30-10.30am. This applies to ages 5-11 years olds only. See attached flyer for further information and registration details. Numbers will be capped so get in quick <https://forms.gle/vwi9kFKMLcyqW4U16>

Following this clinic, Clarendon Netball Club will also be hosting our own Net Set Go clinic over 4 weeks – 27 October – 17 November. Incentives will apply to new registrations for season 2025 and perhaps some more special guests ..... more details to come.

## Clarendon Community Association Resilience Committee Road Safety Petition

Tuesday 11<sup>th</sup> June 2024

### For the attention of Onkaparinga Council

Please find attached our petition with **184 signatures and 3 letters**, one from Clarendon Primary School, one from The Royal Oak and one from the Uniting Church. The overriding concerns for Road Safety in the 50kph zone that includes Grants Gully Road and feeder roads in Clarendon has been reflected in the response.

Whilst I am sending the petition only to the Onkaparinga Council, I am also adding persons listed below who have supported our cause so far and may hopefully expedite some solutions to improve safety on our roads. We look forward to discussing these strategies with all stakeholders in the not-too-distant future.

Please send details of when this will be discussed at Council so that interested members can attend.

We await your response.

Resilience Committee – Clarendon Community Association

- Priah Dean - Community Liaison Officer Onkaparinga Council
- Councillor Marisa Bell
- Minister for Infrastructure and Transport – Hon Tom Koutsantonis
- Member for Heysen – Josh Teague MP
