

CLARENDON SOUTH AUSTRALIA

June 2024

Thank you to the community members who attended the Clarendon Community meeting last night at the lovely Hazel McKenzie Clubrooms. Many topics were covered with a summary below.

Topics discussed:

Clarendon Community Op Shop

- Sales this financial year = \$54,000
- Disbursements to community groups = \$52,000
- Currently 60 people volunteering – thank you!
- The community unanimously agreed to remove the stage at the hall as it is in bad repair and the steps are not safe. A suggestion from the meeting was for the reclaimed wood (if suitable) to be recycled to make garden features/bird houses etc.

Update on the proposed Community Garden

- This is still work in progress with the Onkaparinga Council, Hazel McKenzie group and the Community Garden subcommittee. A few additional obstacles have been discovered including water pipes installed underground where the rain water tanks were going to be positioned. Further discussions will need to be held to ensure that the community garden is not responsible for any repairs required in the future.

Road safety issues

- Thanks to everyone who has already signed the petition to take to the Onkaparinga Council. We will be collecting the petition on Tuesday so if you would like to sign, please call in to the General Store.

A community Automated External Defibrillator (AED)

- It was unanimously decided that yes, we need an AED centrally located in our town. Several places were considered, and we will let everyone know once a final decision is made on the location.

Community Calendar

Clarendon Community Meeting

Wednesday 5th June

@Hazel McKenzie Clubrooms 7.30pm

Clarendon Historic Hall & Museum

General Meeting – 7.30pm

Thursday 13th June

Clarendon Rainfall Summary

May 2024..... 33.5mm

(21.5mm in the last 2 days of May)

Days of rain 4 days

Year to date 2024..... 94.2mm

Days of rain 16 days

May 2023..... 111.6mm

Days of rain 21 days

Year to date 2023..... 262.6mm

Days of rain 56 days

Ave rainfall for May (last 12 years) is 88.5mm

Lowest rainfall in May was in 2017 with 39.2mm

Thank you to our very own rain-man Bill Jared

National Reconciliation Event

The Clarendon Primary School & Kindergarten met at Riverbend Park (Toondilla) for a shared reconciliation event. The children learnt about Aboriginal & Torres Strait Island people's history & culture. Uncle Tamaru welcomed everyone to this event. Uncles and Aunties then taught the children about Aboriginal languages, weaving and decorating native birds. The school's kitchen garden also shared some bush tucker tasters – delicious!

Autumn Trading Hours

The Clarendon General Store Trading Hours

Mon-Fri 8.30am-5pm
Saturday 8.30am-4pm
Sunday 8.30am-12pm

Clarendon Netball News

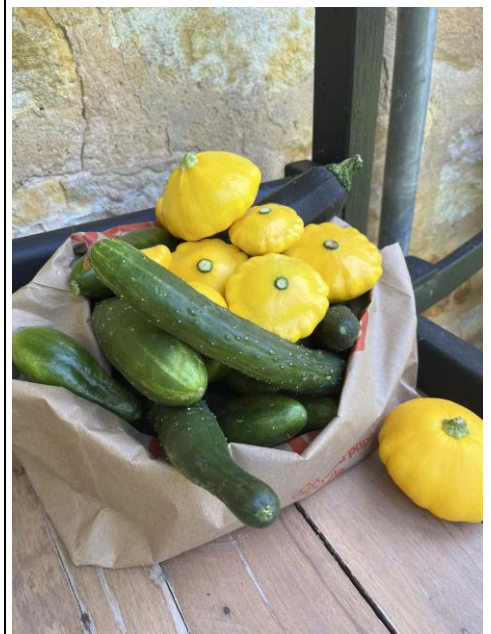

Clarendon Netball Club is now 6 rounds into the winter season. This weekend sees our representative players playing for Southern Hills Netball Association at Country Champs, and we wish them the best of luck! Our regular Netball games are on hold whilst country champs is on, so for many of our players, this is their first break of the season. The club has taken the opportunity to hold specialist sessions in lieu of regular training. Please see the attached photo of our Junior goalie specialist session.

In a couple of weeks' time, our A1 team will play against Noarlunga on Friday evening on the indoor courts at Aldinga Payinthe College. This is a great opportunity for people to come and watch the best players in our association whilst staying dry and warm. Please see the attached flyer with match details.

Grow Free Cart

Our grow free cart located at the Clarendon Community Hall has been well stocked. Please help yourself to what you need and share what you have to spare. Thank you once again to Paul and Elisa – great community people!

Clarendon CFS News

Incidents over the past month

1 incident only!

Plans for the Brigade

The money generated from the Op Shop has purchased a retractable hose reel that we can use to wash the trucks and dirty hoses. We have also purchased a large flag (like the one at the Op Shop) to display on total fire ban days. We plan to upgrade our security system too. In addition, we are planning on purchasing new whiteboards to replace our very outdated ones that just won't clean up!

Fire Season has concluded - Burning permits and fire management

Please be sure to check the council website or contact them personally to ensure you know which zone you are in and if you are able to burn without a permit after the 30th April. If you do fall into this category – please be sure to follow the burning requirements as some grounds are still very dry despite the cool and wet weather. This link will take to the Onkaparinga Council website and the map to show which zone you are in. **Look after your lungs and wear a mask that will reduce smoke particles.**

Visit this website for additional information:

<https://www.onkaparingacity.com/Services/Permits/Fire-management-non-fire-danger-season>

Burning in the open (outside of the fire danger season only)

To reduce bush-fire fuel, vegetation pile burning can be undertaken outside of the fire danger season within defined rural areas.

Burning must be undertaken in compliance with the CFS Vegetation pile burning code of practice **and** conditions on the issued permit.

You will need to abide by the following terms and conditions:

- Only burn dry, seasoned timber not treated or painted timber
- Not burn plastics, rubbish, oil, tyres, furniture or other household items
- Maintain a 4 metre clearance (minimum) of flammable material, around and above the burning pile
- Consider other options for waste disposal.

Search and select your property on the map to view requirements.

1. Find your address
Type your property address into the address search or zoom in to find your property.
2. Select your property
Click on your property to view the information. You will need to click on the area that is shaded either red, orange or green.
3. Complete the online Burn Permit if required
We recommend using Google Chrome. Map may not display with earlier versions of Internet Explorer.

You are always welcome!

Did you know we have a Cadet Program for children from 11 – 18 years? This program is run at Kangarilla CFS and is held every Friday night from 7-9pm in the school term. Please contact me if you are interested.

We are always there every Monday night (not PH) from 6.30pm are you are always welcome to see what we do. You can always join us – that way you would learn valuable skills to protect yourself, your family and your pets and property.

Keep safe!

Sue Leslie

Brigade Captain

Clarendon Community
Association
Resilience Committee
Road Safety Petition

Please read the information and sign the petition at one of these locations:-

- General Store
- OpShop
- School
- Kindy
- Bakery
- Royal Oak

If you are unable to call into any of the venues listed above email the CCA at - secretary@cca.clarendon.org.au - for an electronic version that you will need to print, sign, scan or take a photo and send back by email.

If you are concerned about Road Safety in Clarendon please read on.....

At the Clarendon Resilience Committee Meeting on 9th April the issue of road safety was discussed in relation to recent traffic accidents and increasing dangerous driver behaviour particularly on Grants Gully Road within the 50kph zone.

It was agreed that it is important for individual residents to take action as described by the CCA Chairman in the April Newsletter. That is to report incidents of dangerous driving to SAPOL, write individually to raise concerns to local Federal and State MPs and the Council.

In addition it has been suggested that the community prepare a petition to bring to council who will advocate on our behalf to further our cause. The Department for Infrastructure and Transport (DIT) are responsible for Grants Gully Road. The petition will be presented to the Council Chamber to formally accept at a scheduled council meeting in the future.

Please sign so that we can make our voice be heard as a community for the safety of all those who use our roads.

Thank you

Clarendon Community Association – Road Safety Petition – 24/05/2024

Clarendon Op Shop

Our community Op Shop has celebrated its second birthday.

Many of the community groups in Clarendon are involved and provide volunteers to open the shop Friday, Saturdays and Sundays.

Working bees are organised regularly to keep on top of all the donations. Please email opshop@clarendon.org.au if you would like to be involved.

A place to connect with community, a place to feel welcome, a place to feel the community spirit, a place to shop and a place to find a treasure.....

Clarendon Agricultural Bureau News

The May guest speaker was Richard Alexander who provided great insight into saving money as a landholder including with service providers. Richard stressed that it is worth the effort to shop around for the best price from service providers including insurers. He also stated that where there is an opportunity to get discount, take it as every cent counts.

Richard further provided details into possible savings with general and personal expenses.

The presentation concluded with plenty of questions on savings and what actions needs to be taken by individual.

Tony Fagg
President
Clarendon Branch of the Agricultural Bureau
