## THE CLARENDON COMMUNITY HALL

For information contact. Hon.Secretary: Don Skinner 836059. Clarendon

### AUGUST NEWSLETTER:

What's happening about the Hall?  
That's the question everyone's been asking and here's the answer.  
A lot has happened. Things are about to really move.

First, we can be really proud of the tremendous effort in raising \$1,518. Yes, we have enough to buy the old Rechabites Hall free of encumbrance.

We are all grateful to the Rechabites for the generosity and assistance in making this Hall available for the people of Clarendon.

As you know, committees were formed to raise the money and draft the Constitution required to make the transfer legal. (Thanks to those citizens who have worked so hard for us.) To formalise the transfer we now need a public meeting to table and accept the proposed constitution. So make a note of this date:

\* SEPTEMBER 11  
Public General Meeting

Monday evening at 7.30

at the 'new' Clarendon Community Hall.

Put a big circle around this date on your calendar and don't miss it. We want a great roll up, particularly from those who have contributed to the initial purchase expenses. There'll be a light supper afterwards.

This Hall is for all of us.

Have no doubt about that ... we already use it for the Boy's Gym Club Friday evenings, music lessons are held Wednesdays for Primary school children. There are plans to make it available to the Pre-school Kindergarten and spruce it up so we can earn an income from Weddings, Cabarets, etc. These new uses will require adequate conveniences and maintenance, so we'll need more funds. Here's the next date to remember:

The Clarendon Community Hall was bought and paid for by the people of Clarendon in 1972. Land was also part of the community purchase, and the community land extends from the end of the council carpark to the back of the hall and across the creek to the fence line.

In 1973 the Clarendon Kindergarten moved into the Community Hall and have been there ever since. This small but significant Kindergarten provides an important service to the families of Clarendon and Kangarilla as well as being the main conduit to the Clarendon Primary School.

The hall and grounds are managed by the Clarendon Community Association who work hard to ensure the hall is maintained and preserved for the benefit of the whole community.

All of the maintenance, upgrades, cleaning, services and gardening jobs (possum removal) are all funded through the Clarendon Community Association. Fundraising efforts, disbursements from Op Shop, lease of the premises to the Dept Education and grants have been the main source of funds.

The landscaping works recently completed provides an aesthetically pleasing entrance to our beautiful old building and will add a usable outdoor space for more community events and community involvement. The upgraded car park will provide safer parking as well as safe drop off and pickup places for the kindergarten children.

The Clarendon Op Shop has been a huge success in this venue, providing financial benefits to our small community as well as connecting our groups and clubs.

**We thank the community members who in 1972 had the foresight to see the benefits this hall would bring to our community.**

## Clarendon Primary School

Clarendon Primary School had a nature play day and working bee on Wednesday of last week. You have never seen such muddy kids! The oval became a swimming pool, but the students had such a fun day of play and learning in the outdoors. We had a good size contingent of parents who came along during the day to work on "big kid" projects, and we were able to put in a new garden bed at the front of the school and take out the old swing-set frame. If anyone has some native- low water, low care plants floating about that they would like to donate to the school, we would love them for the new garden bed and some other areas of the school which we are looking to revegetate.

There are some major works going on in the school in the first week of October. Please do not enter the paved areas of the school as there will be heavy machinery removing a retaining wall and installing a new one which has deteriorated in this lovely weather!

The students have Clarendon Primary School have been making us proud by representing us at several events and competitions with a great deal of success! The Girls 5-6 basketball team will be in the state finals early next term. The Clarendon SAPSASA Athletics team won the small schools prize at the Onkaparinga North Athletics Day as well as the trophy for the most points scored overall. 4 students came first in their age groups for various sports and were able to participate at state day. Finally, 4 students are to receive awards at the Oliphant Science Awards ceremony in October. We are yet to find out what the awards are but are very excited as this is a first for our little school.

Kind regards

Regan Birrell

## Tennis Club News

We had our tennis open day on 11th September. We invited people for junior, senior and social tennis to come out, have a hit and get to see what we are all about. The weather held out for us thankfully. On the day we offered nibbles and drinks and games and prizes for the kids with our wonderful coach, Heidi.

The Clarendon Tennis Club want to say a huge thank you to the Clarendon Community Op shop. The funds that we have received so far have been put towards recruiting kids for the junior competition. In doing so we have managed to get 5 new members on board already, so thank you for your continued support of the Op Shop.

The season is due to get underway very soon and we look forward to keeping you updated with how the teams are going.

Don't forget social tennis is starting up on Wednesday nights from 19th October. Put your team of 4 together and register now! Registration is online <https://www.tennis.clarendon.org.au/>

## Clarendon Op Shop

Our community Op Shop is about to celebrate it's first birthday. Come to the Spring Fair and celebrate with us on the success of this new venture.

Many of the community groups in Clarendon are involved and providing volunteers to open the shop Friday, Saturdays and Sundays.

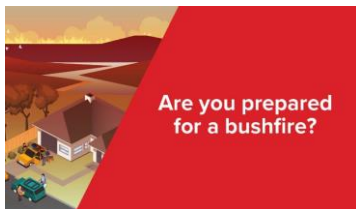

Working bees are organised regularly to keep on top of all the donations. Please email [opshop@clarendon.org.au](mailto:opshop@clarendon.org.au) if you would like to be involved.

A place to connect with community, a place to feel welcome, a place to feel the community spirit, a place to shop and a place to find a treasure.....

## Clarendon Emergency Preparation Project

Dear Clarendon Resident

Over the past few months, a group of locals have been working together under the leadership of Red Cross in partnership with the Onkaparinga Council to establish a Community-Led Emergency Resilience group. We have identified a number of actions that would enable our Clarendon community to be better prepared in cases of emergencies.

We have discussed many issues pertaining to possible emergencies that may arise for us locally and one of the actions is to establish a means of communication to all Clarendons residents.

As there are **no identified 'safe places' in Clarendon during a bushfire**, we want to ensure that everyone in our community has the means to identify, understand and manage their risks before and during fire season. To achieve this, we need to establish the best way for each resident to choose how they receive and obtain the information or support needed to prepare for the upcoming fire season.

The package that you will be receiving soon, contains important information to help you to prepare before and during fire season.

**Ultimately it is up to each resident to decide how they wish to achieve this.**

What we would like to do is to establish a means of contact with everyone in our community either by phone, email or social media, solely for the purpose of ensuring people are prepared and informed, **well in advance of (not during) a bushfire emergency.**

### There are 3 options:

1. Keep the information in this package in a safe place and use the links and resources provided to prepare and manage your bushfire plan independently.
2. Reply to this email address [clarendonsafe@gmail.com](mailto:clarendonsafe@gmail.com) Let us know if there is further information or assistance that you still need. You can add your phone number if this is a better option for communicating with you. If you know of anyone who does not have access to electronic media or the physical means to leave early on a predicted bad fire weather day, please ask them to let us know via phone on 0423969817 so that we can have a plan for them in advance.
3. Rely on social media via the CFS website [Stay informed - CFS](#) or Clarendon CFS Facebook page <https://www.facebook.com/clarendoncfs/>

## Clarendon Branch of the Agricultural Bureau

The Clarendon Branch the Agricultural Bureau September 2022 meeting's guest speaker was from the South Australian Legal Services Commission who provided an informal presentation on farm/business insurance and practical tips for insurance.

The presentation also provided insight into having correct insurance that sufficiently covers partial to full loss of property/assets. The presentation provided tips on keeping legal documents in safe place and/or keeping photographic copies as evidence. The presentation concluded by the host advising that the LSC does provide free legal advice on any civil matters.

## B WLS SEASON RETURNS!

Clarendon Bowling Club's 22/23 season will commence in the first week of October with the first of 18 rounds in both the Saturday Open Division, and the Thursday Women's Division.

The official season opening was held at the club on Saturday 17<sup>th</sup> September where members enjoyed a BBQ lunch and an informal intra-club game following the ceremonial rolling of the jack and the first bowl of the season, which were delivered by last year's female and male club champions, Lyn Taylor and Darryl Williams.

Clarendon Bowling Club is a member of the Great Southern Bowling Association which administers competition throughout the southern Fleurieu Peninsula and comprises 13 clubs, including those as far away as Langhorne Creek, Goolwa, and Encounter Bay. We are very fortunate to play our away games in such charming country towns and seaside locations.

Following great success last year, our club has sides in Divisions 1, 3 and 5 which play on Saturdays, and one Division 3 side in the Ladies' competition on Thursdays. Our club also hosts inter-club tournaments in December and March each year.

To prepare our facilities for the new season, a working bee was held on Tuesday 27<sup>th</sup> September to spruce up the clubrooms and green. A team of volunteer members were busy cleaning windows, light fittings, shelters, and seating, as well as sweeping, and vacuuming internal and external areas.

We're all looking forward to another successful season and invite you to join us as a spectator and enjoy a relaxing afternoon, or even join the club as a player if you're interested in becoming more involved.

Our first season of Night Owls commences on Friday night 4<sup>th</sup> November at 6-00pm. The cost per team is \$40-00 which includes the barbecue meat tea - teams bring their salads if they wish. Bowls is a great game for all ages and physical fitness and our Night Owls season is a great way to have some fun with some friends and learn our great game. Bowls are provided and all you need is flat soled shoes or bare feet.

Contact Don to register your team or for more information 0409 284 712

## Trucks on Tour

- Back by popular demand, City of Onkaparinga's free [Trucks on Tour](#) event returns on Friday 14 October, offering young and old the chance to get up close and personal with their favourite vehicles.
- The event, to be held at Morphet Vale's Wilfred Taylor Reserve from 10am to 2pm, is just one of [a range of events](#) being held during the school holidays (1-16 October), including the statewide [Nature Festival](#), and at council's [libraries](#), [youth centres](#) and [community centres](#) (details below).
- A variety of council vehicles will be on display at Trucks on Tour so children can see them up close and explore, meet the drivers and take photos. Trucks, tractors, mowers and crushers, to name a few, will be on display, along with some heroic emergency services vehicles.
- Every hour there will be a variety of vehicle demonstrations, showing what they're made of, while roving artists, live music and activities for children will also be part of the fun.
- There will be a variety of food and drink available, including coffee, tea, hot chocolate, cold drinks, hot food and snacks, noting it's a cashless event. Although there'll be room within the event zone to enjoy your food and drinks, attendees are encouraged to also enjoy 'The Green' and the excellent play facilities Wilfred Taylor Reserve has to offer.
- Vehicle demonstrations will be offered each hour (repeated) from 10am-1pm, with the final hour (1-2pm) being offered as a sensory hour for those families who prefer a quieter experience (no horns, sirens, vehicle demonstrations or live music).
- Children's activities and entertainment will continue throughout the event. Attendees are encouraged to consider arriving throughout the event duration of 10am to 2pm to avoid a congested experience. Head to [council's website](#) for more information.

The full suite of Onkaparinga school holiday events can be found at [the events page on council's website](#)

Do you have an idea about an event or project that you would like support to bring to fruition? The CCA is very keen to support all kinds of local activities and events. Our plan is to ensure that Clarendon continues to flourish to grow and to support and empower community members like you.

Ideas bubbling away at the minute:

- Harvesting olives
- A tomato preserving day – maybe even sharing tomato seedlings to start it off
- Muriel's bake off
- An outdoor cinema evening
- Public awareness campaign to reduce speeding vehicles in the main street
- Community yoga
- Toondilla Trail

Our CCA committee is small but committed and we would love to hear your ideas.
