Clarendon Community Association Annual General Meeting

The annual general meeting was held a couple of weeks ago and although the attendance was disappointing 3 new committee members were elected. This makes a total of 9 Clarendon residents who will work with the community, ensuring that everyone feels connected, there are events and activities organised, our lovely community hall & grounds are being cared for and that Clarendon is presenting a united voice to the Onkaparinga Council.

Thank you to the following committee members who are continuing:

Trevor Harslett, Petrah Harslett, Helen Ashenden, Mark Ashenden, Dave Fuss and Jayne Tucker

Welcome to our new members:

Alida Cowan, Julie Hawkins and Glen Scholz

We understand that many people find time constraints the main obstacle in joining a committee however there are many subcommittees working in and around Clarendon that may be a better fit for you:

Clarendon Community Gardens

Clarendon Events

Clarendon Community Op Shop

Clarendon Cultural Awareness

Clarendon Resilience Group

Please email secretary@cca.clarendon.org.au if you would like to know more.

We have an exciting opportunity coming up and I wanted to extend an invite to you (and other staff/volunteers/community members at Reynella Neighbourhood Centre) to join us for a community development training in November, exclusively for the Southern Adelaide region.

The idea is to gather in one place the people with interest, skills, passion and knowledge already working across our communities to bring about better connectedness and belonging for our neighbourhoods (in paid and unpaid capacities). In addition, though, we are seeking out community members who are not yet engaged in groups/programs/organisations but would like to contribute to community in some way. The training will provide some great Community Development tools to bring back and use in our own contexts, and it will also help facilitate our sharing and learning with each other across the 2 days.

We hope to connect people who have never connected before, who may support and boost each other's work in community, well after the training is delivered.

Clarendon Netball Club News

Season 2023 has recently come to a close and what a season it was for Clarendon Netball Club. From 15 competitive teams we ended up with 13 teams making finals and we walked away with 5 premierships!! Congratulations to our 11&U Div 3, 13&U Div 3, Inter 2, Inter 1 and A2 teams for walking away as premiers! Yet again Clarendon Netball Club were the most successful club in the association, a real achievement for such a small community. One of our junior players Oli Robson, who also attends Clarendon Primary School, had a ripper of a season. He made the top 5 best and fairest for 11&U Div 3 and not only did he walk away as the winner, but he was also the joint winner for the May Amos Memorial Trophy. The May Amos Memorial Trophy is given to the highest polling junior player for the whole Southern Hills Netball Association!!!! An absolutely amazing achievement. As we say goodbye to winter 2023 we look forward to summer, and what beautiful weather we are starting to have! Clarendon Netball Team had a huge response to our summer registrations and we are proud to announce we will have 6 senior teams and 7 junior teams competing. This is going to be one of our largest summer seasons in recent years and we can't wait to get out there. Many thanks to the Clarendon Tennis Club for allowing us to share the courts the last couple of weeks so our youngest players can get a little practice in pre-season.

Clarendon Primary School

We had our very first Open Afternoon last week which was a success, with many families making the effort to come to school to see their child's learning. It is important to share the goals and learning outcomes of kids and many enjoyed being in the class and were able to have a casual chat with our staff and other parents. We had the pizza oven burning all day, making 120 pizzas with the help of our kids, our fantastic SSOs and volunteers.

The term is finishing up with a Nature Play Day and our school Working Bee. A huge thanks to our volunteers who will be helping out and working on keeping our school beautiful and safe.

Next year, we have a reduction in school size due to a large cohort of kids graduating. This means we have some enrolments available in all year levels. Please let anyone you know who you think might be interested in coming to look at our school. They might be interested to know we had strong results in NAPLAN and all of our children passed the Phonics Screening Check, so not only are we a gorgeous school with amazing staff and engaging programs- but our kids also perform well academically too!

BAREFOOT
BOWLS DAY
SUNDAY NOVEMBER 12TH
11AM TILL 4PM
WITH SAUSAGE SIZZLE AND BAR
SERVICE**

Clarendon Bowling Club's 23/24 season will commence in mid-October with the first of 18 rounds in the Saturday Open Division, and 14 rounds in the Thursday Women's Division.

The official season opening was held at the club on Saturday 23rd September where members enjoyed a BBQ lunch and an informal intra-club game following the ceremonial rolling of the jack and the first bowl of the season, which were delivered by last year's club champions, Lyn Taylor and Darryl Williams.

Clarendon Bowling Club is a member of the Great Southern Bowling Association which administers competition throughout the southern Fleurieu Peninsula and comprises 13 clubs, including those as far away as Langhorne Creek, Goolwa, Milang and Encounter Bay. To prepare our facilities for the new season, a working bee will be held on Tuesday 10th October to spruce up the clubrooms and green. A team of volunteer members will be busy cleaning windows, light fittings, shelters, and seating, as well as sweeping, and vacuuming internal and external areas.

We're all looking forward to another season and invite you to join us as at the "Come and Try Barefoot Bowls" day on Sunday November 12th.

GoodSAM App - Sign-Up Now!

Have you heard of the GoodSAM (Good Smartphone Activated Medics) App? GoodSAM allows SA Ambulance Service to dispatch CPR trained first responders to attend people suffering a cardiac arrest so potentially life-saving CPR can be started prior to arrival of SAAS crews. You can register for GoodSAM through <https://www.goodsamapp.org/saas>, where you enter your contact details and upload evidence of your first aid training. It is then verified by SAAS, and then you become a GoodSAM responder.

Currently GoodSAM coverage around Clarendon looks quite sparse, with only myself and CFS members Charlie and Cain registered to respond (see map). It would be great to see Clarendon covered in GoodSAM responders!

If you have any questions about GoodSAM, please feel free to contact James Pearce at james@pearce.com.au

Clarendon Uniting Church

Joan sent me through these photos of the new church windows depicting 3 seasons that have recently been installed. They are currently waiting the summer window to be completed. Thank you for sharing these with the community – they are stunning!

Clarendon CFS

Hot and dry conditions are predicted for this year's Fire Danger Season. It's time to prepare your properties and create a Bushfire Survival Plan.

We can all help contribute to the safety of our communities! Things you can do to reduce fuel loads include creating fuel reduction zones, installing irrigation systems, and making sure your gutters are clear of leaves and debris.

Sue and her CFS team are at the Clarendon CFS each Monday evening from 6.30pm. If you would like to know more, please contact Sue 0423 969 817 or sue.leslie@sacfsvolunteer.org.au

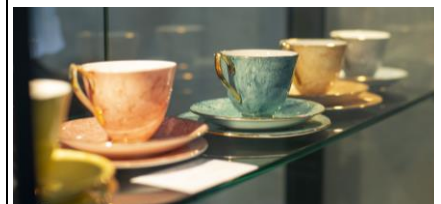

Clarendon Op Shop

Our community Op Shop has celebrated its first birthday.

Many of the community groups in Clarendon are involved and provide volunteers to open the shop Friday, Saturdays and Sundays.

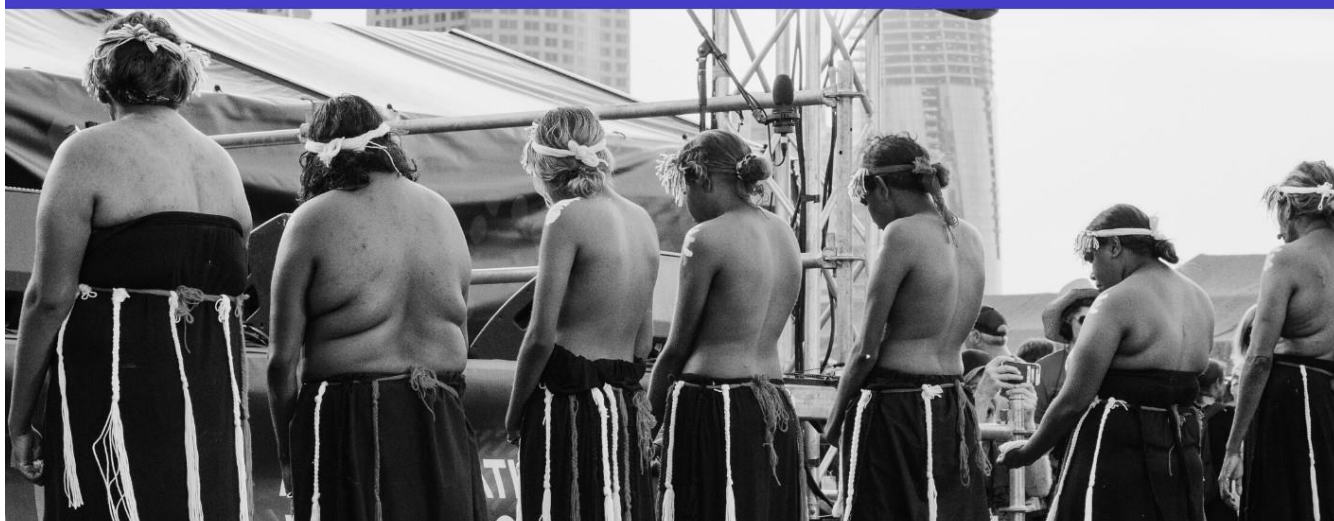

Working bees are organised regularly to keep on top of all the donations. Please email opshop@clarendon.org.au if you would like to be involved.

Good afternoon,

The City of Onkaparinga is about to start shaping its new 10-year community plan and we'd love your input via our annual community [survey](#).

We want to know what matters to you, how connected you feel to your community, how you stay active, your thoughts on the local economy and more.

The survey takes 10 minutes to complete and is open until Sunday 5 November.

During the community engagement period we're also asking the community what their vision for the region's future is. The questionnaire is available at council offices, libraries, community and youth centres, recreation centres, and selected events.

Responses from the survey and vision questionnaire will also be used to inform reviews of two other key strategic documents—the council's Long Term Financial Plan, which guides long-term financial sustainability; and Strategic Asset Management Plan, which helps ensure appropriate infrastructure is in place for current and future generations.

The three draft plans are scheduled to be released for community engagement in April 2024.

We're keen to involve residents of all ages in the survey and vision questionnaire. We'd appreciate if you can help spread the word to your family, friends, neighbours and networks.

Let's make Onkaparinga even better.

Take the survey [here](#).

Kind regards,

The Your Say Onkaparinga team
