## Op Shop News

The Clarendon Community Op Shop continues to thrive. With support of many in the local community the responsibility is shared amongst us all. Our great little Op Shop is known far and wide and we often have visitors who have travelled long distances to visit. This weekend a group of travellers from McLaren Vale visited to purchase their \$5 gifts as part of a local Car Rally. Unfortunately we did not get the name of the organisers but we do appreciate being added to their adventures for the day.

If you would like to know more or get involved in our community Op Shop please contact us via email at [opshop@clarendon.org.au](mailto:opshop@clarendon.org.au)

A photo of some of our happy rally visitors – thanks for calling in!

## Clarendon Op Shop

Our community Op Shop is open 11am-3pm Friday, Saturday & Sundays. We will also open on public holidays if we have volunteers available.

Many of the community groups in Clarendon are involved and provide volunteers.

Working bees are organised regularly to keep on top of all the donations. Please email [opshop@clarendon.org.au](mailto:opshop@clarendon.org.au) if you would like to be involved.

## Would you like to know

### more?

Marion and Geoff our elected members on the Onkaparinga Council, are great advocates for our community. At the last community meeting there were many questions from concerned community members and Marion has followed up on:

**Clarendon Recreation Ground update** – a community consultation will occur later this year.

**St Ninians signage** – a no through road sign will be installed soon

**Grants Gully Road potholes** – a request for improvement and upgrades has been sent to the Dept of Transport. Council will keep us updated

**Traffic speeds on Potters Road** – traffic data has been collected to measure speed and traffic volumes. This will determine if further action is required.

**Road safety** – remember we can all report traffic issues direct to SA Police Traffic Watch on 131 444

**St Ninians Road proposed development** – this is still under council assessment.

If you would like to know more or have other issues Marion would love to hear from you:
